05/2004 to 10/2005

TEACHER

St. John Integrated School | Angeles City, Pampanga

- Supported student teachers by mentoring in classroom management, lesson planning, and activity organization.
- Evaluated and revised lesson plans and course content to facilitate and moderate classroom discussions and student-centered learning.
- Fostered team collaboration between students through group projects.
- Reviewed curriculum and devised alternate approaches to presenting lessons to increase student understanding.
- Promoted physical, mental, and social development by implementing classroom games and outdoor recreational activities.
- Developed and taught courses on relevant children's books, poems, movies, and themes to promote student interest in Children's Literature as an avenue of study.
- Assisted struggling students to maintain progress level by designing individualized lesson plans focused on areas for improvement.
- Attended and facilitated meetings for students and families.
- Communicated frequently with parents, students, and faculty to provide feedback and discuss instructional strategies.
- Collaborated with a faculty team to develop an after-school tutorial program for students in need of extra help.
- Incorporated multiple types of teaching strategies into classroom discussions and activities.

Experience

- Incorporated exciting and engaging activities to reinforce student participation and hands-on learning.
- I implemented and encouraged a debate-style classroom environment to increase student engagement and promote critical thinking.
- Worked cooperatively with other teachers, administrators, and parents to help students reach learning objectives.
- Developed and implemented lesson plans that addressed general students.
- Met with administrators and department team members to work on curriculum planning assessment methods.
- Encouraged creative thinking and motivated students by addressing individual strengths and weaknesses based on standardized testing results.
- Implemented creative ways to foster curiosity for complex principles through hands-on learning and planned activities.
- I graded and evaluated student's assignments, papers, and course work.
