

ARIEL N. GALANG

Registered Electrical Engineer

Block 36 Lot 22 East Magnolia Lane

Evergreen County, Biñan, Laguna

Mobile No.: +63 998 556 5416

E-mail Address: ariel.galang@gmail.com

OBJECTIVES

- ✚ To be able to enhance own skills for tasks application
- ✚ To be able to work in a company that takes quality care of their employees

WORK EXPERIENCE

Lufthansa Technik Philippines, Inc.

- ✚ Pollution Control Officer (*Apr 2017 – Present*)
- ✚ Sr. Engineer (*May 2016 – Apr 2017*)
 - *Performs the function of a Pollution Control Officer as per DENR Administrative Order No. 2014-02*
 - *Implementation of Environmental Management System ISO 14001:2015 standard*
 - *Performs planning and engineering technical support to Aircraft Base Maintenance requirements*
- ✚ Sr. Production Planner (*December 2011 – April 2016*)
- ✚ Production Planner (*December 2009 – December 2011*)
- ✚ Jr. Production Planner (*December 2007 – December 2009*)
 - *Performs planning, implementation, monitoring and control of maintenance for aircraft components and tools and equipment.*
 - *In-house maintenance capability build-up of aircraft components and tools and equipment in accordance with the OEM.*
 - *Creation of maintenance program and shop task cards as per OEM and regulatory requirement.*

Fuji Electric Philippines, Inc.

- ✚ Assistant Supervisor (*July 2006 – December 2007*)
- ✚ Facilities Engineer (*October 2003 – June 2006*)
 - *Performs operation and maintenance of various facilities equipment such as*
 - (1) *Diesel Generator Sets, 1200 kVA*
 - (2) *Air Compressors*
 - (3) *Air Dryers*
 - (4) *De-ionization water plant*
 - (5) *Centralized air-conditioning, etc.*
 - *Design and implementation of various electrical projects such as*
 - (1) *Power supply for production machines*
 - (2) *34.5kV power supply down to distribution lines*

Department of Public Works and Highways

Student Trainee (November 2001 – February 2002)

GOVERNMENT EXAMINATION TAKEN

Electrical Engineering Licensure Examination <i>PRC License No.: 0032144</i>	April 2003
Master Electrician Licensure Examination <i>PRC License No.: 0026366</i>	April 2002

EDUCATIONAL BACKGROUND

College	Pamantasan ng Lungsod ng Maynila <i>Intramuros, Manila</i> Bachelor of Science in Electrical Engineering	2002
Secondary	Cayetano Arellano High School <i>Sta. Cruz, Manila</i>	1997
Primary	Maximino Hizon Elementary School <i>Jose Abad Santos, Manila</i>	1993

SEMINARS / TRAININGS ATTENDED

1. Aviation Regulation and Quality Standards Web Based Training (31 May 2019)
2. Water and Wastewater Plant Orientation (08 Nov 2019)
3. Technical Forum on the Promotion of Alternative Substances and Natural Refrigerants for the Ozone Layer and Climate Protection (16 Sep 2019)
4. DGQ Practical Workshop: ISO 45001 – Delta OHSAS 18001 (20 Jun 2019)
5. The Future Energy Show (21 May 2019)
6. Philippine Chemical Regulations (28-29 Mar 2019)
7. 40-Hour Hazardous Waste Operations and Emergency Response (HAZWOPER) Training (16-19 Oct 2018)
8. q/star Investigation Methods Refresher Training (18 Sep 2018)
9. Communication Assertiveness (17-18 Jul 2018)
10. ISO 14001:2015 Update (28 Jun 2018)
11. Lufthansa Technik Group EHS Summit 2018 (26-27 Jun 2018)
12. 38th National Annual Convention of PCOs (9-11 May 2018)
13. Upgraded Version of Hazardous Waste On-Line Manifest System (20 Feb 2018)
14. ISO 14001:2015 Interpretation and Application (10-11 Jan 2018)
15. 2017 Pollution Control Officers (PCO) Summit (21-22 Nov 2017)
16. Gemba Gembutsu – 5 Why's Analysis (17 May 2017)
17. Chemical Safety and Spill Response (02 May 2017)
18. 37th National Annual Convention and PCO Training (26-28 Apr 2017)
19. Train the Trainer (28-30 Mar 2017)
20. Stakeholders Meeting on Environment and Safety (16 Mar 2017)

21. q/star Investigation Methods Training (8-10 Mar 2017)
22. IQ Move Update (27 Jan 2017)
23. Ozone Science, HCFC Phase-out Management Plan, CCO for ODS and Safe Handling of Refrigerants (09 Sep 2016)
24. ISO Process Based Auditing (30-31 May 2016)
25. ISO 14001:2015 Interpretation and Application (25-26 May 2016)
26. Pollution Control Officers 40Hours Training Course (02-06 May 2016)
27. FIL 8400A A380 WLG/BLG Removal and Installation Trolley Operation and Maintenance (17 Jul 2015)
28. Basic Operation and Maintenance of Nitrogen Generator System (26 June 2013)
29. Langa Jack Tester Training (19 Feb 2013)
30. B777-200/300/300ER General Familiarization (22-29 October 2012)
31. First Aid Training (26-27 Jul 2012)
32. Commissioning, Operation and Maintenance of Hycom Hydraulic Test Stand (30 May 2012)
33. FAA FAR Part 145 (11 May 2012)
34. Maintenance on EJAL System with ST42-014 and associated Tripod Jacks (27 March 2012)
35. CAAP Civil Aviation Regulations Part 6 (25 January 2012)
36. SFAR 88 Fuel Tank Safety Training Phase 1 and 2 (04-05 October 2011)
37. Six-Sigma Green Belt Certification (September 2010 - March 2011)
38. Basic Aircraft Course for Engineers and Planners (25 January – 19 February 2010)
39. Advanced Production Planning and Control (15-17 December 2008)
40. Basic Production Planning and Control (17-21 November 2008)
41. Suspected Unapproved Parts Industry Training (15 September 2008)
42. Aviall Battery Advanced Test System (17-18 July 2008)
43. Aircraft Battery Recurrent (10 July 2008)
44. European Aviation Safety Agency Part 145 (10-11 June 2008)
45. Civil Air Regulations (04-06 June 2008)
46. Airnav Training (28 April 2008)
47. ESDS Component Overview (14 March 2008)
48. Aircraft Overview Course (03-05 March 2008)
49. Human Factors in Aircraft Maintenance (11-13 February 2008)
50. Internal Audit of ISO 9001:2000 Quality Management Systems (14-15 November 2007)
51. Fire Safety and Risk Management Training (02 March 2007)
52. Power Forum Workshop (Buying Power in a Competitive Retail Environment) (21 June 2006)
53. Kaizen / QC Problem-Solving Approach Training (January – June 2006)
54. ROHS Awareness Seminar (03 August 2005)
55. ISO 14001:2004 Awareness Training (18 July 2005)
56. Energy Conservation on Buildings, ISO 14001:2004 & Motor Controllers (15 April 2005)
57. Unleash the Highest Potential of your Life/Work (25 February/03 March 2005)
58. Lean Manufacturing (28 February and 01 March 2005)
59. Petroleum Product Handling (07 February 2005)
60. Fire Safety and Risk Management Training (24 January 2005)
61. Waste on Electrical and Electronics Equipment / Power Transformer Operation and Maintenance (11 December 2004)
62. Unleash the Highest Potential of your Money (20 November 2004)

63. Industrial Power System Design (03 September 2004)
64. Electrical Skills Olympics (02 September 2004)
65. Trainers Training Program (28-30 July 2004)
66. Energy Saving and Industrial Application of Variable Speed Drive and Soft Starters (09 July 2004)
67. Energy Management and Audit Method (02 July 2004)
68. Energy Savings on HVAC and Lightings (02 July 2004)
69. Unbundling Electricity Rates (02 July 2004)
70. DIS/ISO 14001:Changes and Developments (02 July 2004)
71. Over Current Protection, Equipment Grounding and Lightning Arrester Seminar (02 April 2004)
72. Basic and Advance Electrical Safety (17 January 2004)
73. Control of Hazardous Energies (17 January 2004)
74. Potential Failure Mode and Effect Analysis (25 November 2003)
75. Value Re-Orientation Seminar (16 October 2003)
76. Fundamentals of Electrical System Design (27 September 2001)
77. Introduction to Cogeneration (08 September 2000)

PERSONAL INFORMATION

Date of Birth : 16 December 1980
 Place of Birth : Makati City
 Religion : Christian
 Civil Status : Married
 Height : 5' 7"
 Weight : 158 lbs
