

# JAVID GHANBARI

**Nationality:** Iranian

**Residency:** Tehran & Shiraz, IRAN

**Email:** J.Ghanbaree@yahoo.com

**Mobile:** +989123131726

**Experience** *Founder of and Chairman at Construction Strategy Institute*  
**Professional/Academic** [www.constructionstrategy.ir](http://www.constructionstrategy.ir)

**2016-Present**

- (Currently) coordinating the main CSI's team including 5 experts and 20 engineers
- (Currently) under negotiation with Shiraz Industrial University for a Construction Documentation Project on an innovative green building project costing about \$ 0.40 million

*Strategic Consultant to Iranian Army Residential Tower Constructions*  
**2011-2012**

- Strategic architectural and project management consultation on a 32-story residential building leading to \$ 3.00 million to the benefit of the client

*Member of Faculty and Assistant Professor of Architecture at Shiraz University*  
[www.shirazu.ac.ir](http://www.shirazu.ac.ir)

**2014-Present**

- Supervised more than 10 bachelor and 2 M.A. theses
- Published over 10 research papers and presented 4 papers in national and international conferences

*Colleague at LSSI Institute*

[www.lsfi.ir](http://www.lsfi.ir)

**2013-Present**

- Coordinated a team of over 20 experts editing LSF building design guidelines book
- Consulted on 5 LSF building projects in Tehran and Gulf region worth \$ 2.70 million optimizing Time & Cost respectively by 70% and 15%

*Directing Manager at Iwan Sara Pars (ISP) Construction Company*  
**2007-2015**

- Completed 4 school construction projects with more than 2000 m<sup>2</sup> costing about \$ 0.80 million

- Managed a team of 8 designers and over 30 workers

***Co-Director of ECOTehran2014 International Workshop***

Tehran, Iran

www.iedi.ir

**2014**

- With more than 300 participants from all around Iran

***Director of UAA2012 International Workshop***

Tehran, Iran

www.iedi.ir

**2012**

- With more than 300 participants from all around Iran
- Added a business strategy plan to the program leading to 40% increase in the income

**Personal Interests**

- Passionate about Strategy Topics and Policy Making
- Passionate about Creative Procedures and Problem Solving Methods
- Passionate about Strategic Process Design
- Very Interested in Researching Business Growth Topics
- Very Interested in Strategic International Construction Technology Transfer and Sustainable Development

**Education**

Ph.D in Architectural Technology

*(Thesis Focusing on Strategies in International Construction Technology Transfer to the Gulf Region)*

Tarbiat Modares University

Tehran, Iran

**2008-2013**

M.A. in Architecture

Tarbiat Modares University

Tehran, Iran

**2006-2008**

Bachelor of Architecture

Shiraz University

Shiraz, Iran

**2002-2006**

**Languages**

Persian (Native Fluency)/ English (Fluent)

# ACADEMIC

## CURRICULUM VITAE

---

**Dr. Javid Ghanbari**

### GENERAL INFORMATION

---

|                              |   |
|------------------------------|---|
| Age                          | 34  |
| Born (in)                    | Shiraz, IRAN  |
| English Language Certificate | Senior Certificate Proficiency, Iran Language Institute (ILI) |

### EDUCATION

---

|             |   |
|-------------|---|
| 2008 - 2014 | <b>Tarbiat Modares University, Ph.D</b><br>Thesis Title: " <i>Architectural Technology Transfer Strategy Regarding Contemporary Approaches to Vernacular Architecture (Case Study: Northern Persian Gulf Coastline Region)</i> "<br>Advisor(s): Prof. Mahmood Golabchi & Prof. Mohammad Reza Bemanian |
| 2006 - 2008 | <b>Tarbiat Modares University, M.A.</b><br>Thesis Title: " <i>Studying the Influence of Vernacular Building Technologies on the Integration of Natural and Artificial Environments (Case Study: Touristy Village in Qeshm Island)</i> "<br>Advisor: Prof. Mohamad Reza Bemanian                       |
| 2002 - 2006 | <b>Shiraz University, B.A.</b><br>Thesis Title: " <i>Designing Shiraz Musalla Complex</i> "<br>Advisor: Dr. Mohammad Aliabadi   |

## ACADEMIC EMPLOYMENT

---

|                       |   |
|-----------------------|---|
| January 2015- Present | <b>Assistant Professor of Architecture (Employed Faculty Member)</b><br>Shiraz University, Shiraz, IRAN         |
| August 2007 - 2011    | <b>Visiting Professor</b><br>Islamic Azad University, IRAN<br>Dezful, Bushehr, Estahban and Firoozkouh Branches |
| August 2006 - 2007    | <b>Visiting Professor</b><br>Eyvanakey Higher Education Institute, Semnan, IRAN                                 |

## HONORS AND AWARDS

---

|      |  |
|------|--|
| 2011 | <b>Appreciation for Leadership in UAA2012 International Workshop From:</b><br>Emeritus Professor Jon T. Lang, University of New South Wales, Australia |
| 2007 | <b>Outstanding Teaching Award</b><br>Department of Architecture, Eyvanakey Higher Education Institute, Semnan, IRAN                                    |

## PROFESSIONAL AFFILIATIONS AND SERVICES

---

|   |  |
|---|--|
| <b>Chairman</b>                         | Institute of CONSTRUCTION STRATEGY   |
| <b>Professional Organization Member</b> | LSSI Research Center   |
| <b>Workshop Leadership</b>              | Director of UAA2012 International Workshop in the University of Tehran Lead by Prof. Jon T. Lang |

## TEACHING EXPERIENCE

---

|                       |   |
|-----------------------|---|
| <b>Courses Taught</b> | Architectural Design Studio 4 (Function/Structure)<br>Architectural Design Studio 3 (Concept/Form/Wide-Span Structures)<br>English for the Students of Architecture<br>History of Architecture of the World<br>Contemporary Architecture of the World<br>Construction Site Management<br>Building Construction Detailing<br>Advanced Construction Methods |
|-----------------------|---|

## PUBLICATIONS

| <b>Accepted/Published Papers</b>  |   |                                   |
