

HANNAH REBECCA M. MANGULABNAN

Licensed Geodetic Engineer – 10105; Licensed RPA Controller RPAS-152240

Unit 111, Sunrise Hill Building, 64 Esteban Abada Street, Loyola Heights, Quezon City |

Permanent Address: Block 7 Lot 7, Phase 3, St. Patrick Street, Adelina Homes, Lipa City

Batangas | Mobile number: +63 967 258 7669 | Email address: hrmangulabnan@gmail.com

OBJECTIVE: To obtain a job working with experienced engineers that will utilize my analytical skills and to explore career options in the Geodetic Engineer and Geographical Information System sectors

EXPERIENCE:

Work

Verdantpoint Development Corporation (Dec 2017 - Jun 2019)

- gathered/verified survey (VSR) data and documents from the different government offices– NAMRIA, DENR, LMB, CENRO and LRA
- validated the data gathered from the initial survey data against the documents obtained from various government agencies
- conducted topographic and property surveys

Department of Transportation – Railway Sector, North South Commuter Railway (Malolos-Tutuban) Project (Sep 2019 - present)

- reviewing the parcellary map along with plans and other deliverables of the subcontractor
- providing sketch plans/maps to ENVI, ROWA, ISF, and Technical teams
- updating and finalizing of the master lists and project monitoring tool
- providing assistance in fieldworks, coordinating with contractors and consultants regarding status of works related to Right-of-Way Acquisition, and performing other functions required by the Project Manager

On-the-Job Training Geomatica Engineering Services (June 2016- July 2016)

- conducted a topographic survey of a mountainous area of 40 hectares in Lipa, Batangas
- assisted the company in property/retail mapping
- assisted in preparing survey plan and project documentation

TRAININGS ATTENDED:

LAMS Digital Land Survey Data and e-Survey Plan, Occupational Safety Health Center (September 29, 2018)

Putting ArcGIS to Use Across Your Organization (PAGO), 19th Floor Strata 100 Building, Ortigas Center, Pasig City (February 4-6, 2020)

Introduction to GIS using ArcGIS (GISA), 19th Floor Strata 100 Building, Ortigas Center, Pasig City (March 2-3, 2020)

ArcGIS Pro: Essential Workflows (APEW), 19th Floor Strata 100 Building, Ortigas Center, Pasig City (March 4-6, 2020)

Spatial Analyst with ArcGIS Pro (SNAP), 19th Floor Strata 100 Building, Ortigas Center, Pasig City (March 9-11, 2020)

Managing Geospatial Data using ArcGIS (GDAT), online (July 27-28, 2020)
Sharing GIS Content using ArcGIS (SHAR), online (July 29-30, 2020)
Field Data Collection and Management Using ArcGIS (FIDA), online (August 4-5, 2020)
ArcGIS Enterprise: Configuring a Base Deployment (EBAS), online (August 6-7, 2020)
Unmanned Aerial Vehicle Fundamentals and Piloting Training, Dasmariñas, Cavite (January 18-19, 2021)

EDUCATION:

Bachelor's Degree **University of the Philippines – Diliman**
Bachelor of Science in Geodetic Engineering (June 2017)
- **Athlete**, UP Lady Maroons Volleyball (June 2012 –May 2015)
- **Athlete**, UP Lady Maroons Beach Volleyball (August 2013- August 2014)
- **Best in Undergraduate Research Poster** – Spatial Analysis of Cholera Cases in Brgy. Handumanan, Bacolod City (May 2017)

Basic Education **De La Salle Lipa (2001-2012)**
Integrated School: Kindergarten to Grade 10
- **Consistent Achiever Student** (2001-2011)
- **Athlete & Co-captain**, De La Salle Lipa Volleyball Team (2006-2012)

SKILLS AND COMPETENCIES

- Consistence high school class topnotch in Mathematics and Physics
- Actual land survey and computations
- Software literate: AutoCAD, ArcGIS, ENVI, PIX4D, Microsoft Office, GE Survey
- Team player but has the ability to work alone with minimal supervision
- Can work under pressure

EXTRACURRICULAR ACTIVITIES:

UP Geodetic Engineering Club, active member (Jan 2015 – June 2017)
- UP Fair Steering Committee, Sales Head (Dec 2015-Feb 2016)
- Engineering Week Steering Committee, Over-All Head (Feb 2016-Mar 2016)
- Engineering Week Volleybagan Steering Committee, Over- All Communications Head (Feb 2017)

UP Volleyball Club, active member (Aug 2016-Jan 2017)
