

## CHRISTINE JOY LASOLA

Licensed Chemical Technician/  
Chemical Engineer

### Address

#13A Imperial St. Cubao, Quezon City

### Mobile Number

+63-916-5619-566

### Email-Address

[cjlasola@gmail.com](mailto:cjlasola@gmail.com)

## EDUCATION

Bachelor's Degree **Chemical Engineering (2010-2016)**

Eulogio "Amang E. Rodriguez  
Institute of Science and Technology

## LICENSED AND CERTIFICATION

Licensed Chemical Technician

Lic. No.: 0004083

October 2019

## SKILLS

- SPECTROSCOPY (*UV/vis*)
- HPLC
- INFRARED SPECTROSCOPY
- DISSOLUTION APPARATUS
- WATER CONTENT (*Karl Fisher Method*)
- XRF
- AAS
- COD and BOD
- SOLIDWORKS
- MICROSOFT OFFICE APPLICATION

## PERSONAL INFORMATION

Gender: Female  
Religion: Christian  
Age: 27 y/o  
Status: Single  
Language: English, Tagalog

## CAREER OBJECTIVES

Looking for a job to continue chemical engineering career where I can acquire skills and position that I can use to assist in ensuring maximum workplace safety and product quality, by utilizing extensive experience for optimizing product procedures and having a 3+ years of relevant experience can be deployed to the benefits of the team.

## EXPERIENCES

### Quality Control Analyst (Laboratory Analyst II)

**ALL WASTE SERVICE INC.**

November 2019- July 31, 2021

Guiguinto, Bulacan

Duties and Responsibilities:

- Receiving and Sampling of In-house and Client Waste.
- Analytical and Physicochemical Testing of all waste.
- Providing disposition for the treatment process for the whole plant.
- Maintaining Cleanliness using GLP in Areas.
- Calibration of all Equipment present in Laboratory.

### Quality Control Inspector (Raw Materials Analyst)

**JM TOLMANN LABORATORIES INC.**

February 2017- July 2018

Diliman Quezon City

Duties and Responsibilities:

- Receiving and Sampling of Raw Materials.
- Analytical and Physicochemical Testing for the RM.
- Providing CoA to all RM that we conducted a test.
- Approving or rejecting of all raw materials that we received.
- Maintaining Cleanliness using GLP in Areas.
- Calibration of all Equipment present in Laboratory.

## TRAININGS

**OpenLAB CDS EZChrome Software Training**

JM Tolmann Laboratories Inc. (May 29-31, 2017)

**4<sup>th</sup> National Conference of Chemical Laboratories**

Integrated Chemist of the Philippines (November 23-25, 2020)

## ORGANIZATIONAL INVOLVEMENT

**Philippine Instrumentation and Control Society (PICS) - EARIST Chapter**

Vice President- External Affairs (2014 – 2015)

**Chemical Engineering Student Society (ChESS) - EARIST**

Vice President- External Affairs (2015 – 2016)

## CORE QUALIFICATION

- Assist in the performance of chemistry lab experiments (Chemical and Physicochemical)
- Analyze experiment results thoroughly
- Creative and Critical Thinker
- Extensive teamwork and professional collaboration experience
- Strong organizational and administrative skills
- Extensive experience operating standard chemistry laboratory equipment and instrument
- Flexibility and Adaptability within the working area
- Has a background in ISO 14001:2015
