## PROFILE

---

I'm honest, reliable and punctual. I work well in a team but also on my own as I like to set myself goals which I will achieve. I have good listening and communication skills. I have a creative mind and am always up for new challenges. I am well organized and always plan ahead to make sure I manage my time well. I'm always open for new ideas and I am very willing to learn.

## CORE COMPETENCIES

---

### Key Skills & Knowledge Areas

- Quantity Surveying
- Machine Shop Safety Practices
- Mechanical Equipment Operation (Lathes, Drills, Welding)
- Blueprint Comprehension
- Cost Estimate

### Computer & Technology Knowledge

- MS Office
- Quantity Take-Off
- AutoCAD

## PROFESSIONAL EXPERIENCE

---

**Cadet Mechanical Engineer – Eenerthrust International Inc. | Manila, Philippines**

2018 -2020

As a Cadet Engineer of a sub-contractor my primary job is to assist our Senior Quantity Surveyor in the preparation of project quantity take-offs and the necessary documents for the Bidding process. In here we check the blueprints of the project and itemized the materials needed to prepare a cost proposal for the Mechanical Works (HVAC System) of the project. I also do some site visit on the existing projects and prepare the monthly progress billing report to be reconciled with the main contractor.

## EDUCATION & COURSES

---

**Mechanical Engineer Licensure Exam**

Feb 2018

Mechanical Engineering Board Examination Passer

**BS Mechanical Engineer**

2012 - 2017

Saint Louis University, Baguio City
