

TO:

The Hiring Officer

Dear Sir / Madam,

Good day.

This is to formally submit my job application for any challenging job opportunity in any available position that may suit my background and qualifications. I am a production, livestock and industrial work professional with more than 19 years of total work experience in the Philippines and in the Middle East. With educational background in Bachelor of Technology Major in Automotive Technology.

I am seeking for a suitable work to apply my knowledge, skills and pursue my career under your management. I am capable to work well independently or with diverse teams with the ability to correspond and follow in both oral and written instructions.

I was previously employed as a General Foreman at Positive Power Service Company, Doha Qatar. Where I have worked for 2 years (Finished Contract) with a proven excellent performance on the role entrusted.

With years of professional experience and my educational foundation, I have acquired below core strengths and set of skills as my stronghold for my job application:

- Educational background in Bachelor of Technology Major in Automotive Technology.
- Ability to operate work-related production / factory / farm tools and equipments.
- Computer Literate: Proficient in Microsoft Office Programs.
- Proven knowledge and experience in farm work, painting jobs, production work in the Philippines and overseas
- Superb focus on details and aim to finish tasks following standard operating procedures.
- Multi-tasking and time-management skills, with the ability to prioritize tasks.
- Excellent communication, sales, and negotiation skills.
- Capable of handling responsibilities with minimum supervision.
- Capable of learning and adapting to new challenges.
- Proficient organizational skills.
- Self-Motivated and Competitive
- Ability to work on extended hours.
- Ability to work in a multicultural environment.
- Willing to work overseas at the earliest possible time.

I am confident that my education, expertise and professional background is what sets me apart from other candidates for this job position that you require.

I look forward to discussing the position and my qualifications with you in more detail. I am available to talk at your convenience. I will be in touch to follow up to ensure you have received my job application.

Thank you so much for your time and consideration.

Sincerely,

Adrian M. Bobier
