**Third Officer Job Description:**

Navigate the ship, to safely avoid traffic, and to respond to any emergencies that may arise. Special responsibilities to keep the ship, the people on board and the environment safe. This includes keeping the ship seaworthy during fire and loss of stability, and providing aid and maintaining safety during man overboard, abandoning ship, and medical emergencies. In charge in maintenance of survival craft and rescue boats, their launching appliances and arrangements, and their equipment including radio life-saving appliances, satellite EPIRBs, SARTs, immersion suits and thermal protective aids. In charge in updating of nautical publications, such as Sailing Directions, tide tables, Notices to Mariners, Light list, Radio list and radio navigational warnings to keep the ship clear of danger in transit. Third officer is safety officer on board responsible for the upkeep of lifesaving and firefighting equipment. This includes a responsibility for some or all of the ship's boats, and particularly the lifeboats. Active participant in fire and boat drills. Assistant Ship Security Officer on board and in charge of maintenance of GMDSS (Global Maritime Distress and Safety System. In charge in port documents and safety file on board.

In port, the watch focuses on duties such as cargo operations, fire watches, security watches, monitoring communications,<sup>1</sup> and monitoring the anchor or mooring lines.
