EDUCATION

December 2019 - December 2020

Transformative leadership in action

Transformative leadership in action was one of the programs that Same Skies organization brought out for refugees. I applied for this program in 2018 and have been successfully selected. In transformative leadership in action we studied critical analysis, cultural competency, creative thinking, flexibility & adaptability, and enhanced leadership skills. During studying these courses, we co-designed a humanitarian project for refugee’s livelihood which is now called Jakarta Bersatu Project.

September 2019 - February 2020

ENTREPRENEURSHIP

Finished the entrepreneurship training in Umar Usman business school in Jakarta.
