Additional information on employment history

I am a qualified professional pilot, ICAO ATPL holder with over 15 years experience in aviation field and airline industry. I am an EU resident, graduated from Indonesian Aviation Academy in 1997 Diploma of Aviation, FAA Academy Oklahoma City USA in 2002 Bachelor of Aviation Safety, and hold a current ICAO (Indonesian) Air Transport Pilot License (ATPL). In addition, I recently have a position as a Flight Operation Inspector at Indonesian DGCA, Ministry of Transport Special Staff. Also as a Government Check Pilot for DO328 and B737.

My qualification is a Captain, with around 9200 hours total flight time, including approximately 6200 hours jet experience and 3600 PIC hours. As well as experiences in Safety Management System, Safety Audit, Flight Training and Technical Analysis, FOQA/FDM, Air Operator Surveillance and Regulations.

My detail qualifications are:

- Captain Pilot with type ratings of Airbus A320, ATR 72/42-600, Boeing B737, Dornier DO328.
- Type Rating Instructor (TRI) Dornier DO328.
- Government Check Pilot Dornier DO328 and Boeing B737.
- Flight Operation Inspector.
