## WORK HISTORY

**Furniture Carpenter** 03/2017 – 10/2021

**Harbi al tureshi curtain furniture** – Buraydah, Saudi Arabia

- **Removed old finishes and degraded parts** to complete skilled repairs and restore ideal appearances.
- **Protected final finishes by applying lacquers** and other sealants.
- **Finished furniture with high-quality finishes through careful** application of compounds such as stain, oil and paint.
- **Worked with management to confirm inventory to assemble** and completed required pre-assembly reporting.
- **Collected designated assembly materials from bins, set up work stations per written instructions** and inspected own work for accuracy and quality.
- **Applied sufficient torque with wrenches** and ratcheting tools throughout entire workday.
- **Demonstrated manual dexterity and coordinated hand and finger movements to grasp, manipulate and assemble objects** necessary to complete diverse furniture projects.
- **Identified best strategy for sequencing furniture assembly** to maximize number of products available.
- **Fastened parts together with bolts, screws, speed clips, rivets, glue** or other fasteners according to blueprints and customer specifications.
- **Completed tasks according to technical document requirements** and specifications to work with accuracy.
- **Repaired and remodeled wood, iron, chain link** and vinyl fencing.
- **Used hand tools and production equipment to perform furniture assembly work** and mastered blueprint reading to verify correct completion.
- **Calculated dimensions and amount of needed materials** by accurately measuring job site and structures.
