3399- Tariq ibn Ziyad Qurtubah Dist.

Al-Khobar 7472-34234

Kingdom of Saudi Arabia

OBJECTIVE

Seeking an innovative and challenging career in a reputed organization, which allows me to grow professionally, while being able to utilize my skills for betterment of the organization with the best use of my knowledge, dedication and resourcefulness. Dedicated registered nurse with ten years of experience providing quality care to a wide variety of patients. Aiming to leverage my knowledge and experience to effectively fill the nursing position in your hospital.

SKILLS

Handles serious situation and provide care on time

Capable of communicating effectively with the patients, their family members and physicians to achieve the highest quality of healthcare.

Computer literate

I have lots of experiences that molded me to become a better and reliable nurse. I gained some knowledge that will certainly help me in dealing with the inevitable situation between nurse- patient and nurse- nurse conflict.
