WORKING EXPERIENCE

PAMPANGA PREMIER MEDICAL CENTER

NOVEMBER 2021 – FEBRUARY 2022

CLINICAL PHARMACIST

- Charging of medications of the patients using Kardex sheet.
- Documentation of basic information, drug list/s and laboratory results of the patients using Patient Medication Profile. Assessment of Drug-Drug Interactions using an accredited and a reliable reference.
- Recommendation of Pharmacist's interventions to the Nurses and Doctors. Written Home Instructions and proper patient counseling for discharged patients.
- Anti-Microbial Stewardship

PAMPANGA PREMIER MEDICAL CENTER

AUGUST 2021 – NOVEMBER 2021

STAFF PHARMACIST

- Interpreted prescriptions from healthcare providers to properly dispense medications and health products. Mandatory inventory of stocks twice a week to avoid and reduce loss. Communication together with the physicians, nurses and other health care workers as a team to provide better service for in and outpatients.
- Regularly stocked shelves, rotated stock and checked for expired medications. Received and accurately processed written prescriptions from customers using computer system.
- Anti-Microbial Stewardship

ST. JOHN MIGUEL PHARMACY

MARCH 2020 – JULY 2021

COMMUNITY PHARMACIST

- Recommended OTC medication options to help mitigate individual symptoms. Interpreted prescription orders, dispensed medications and counseled patients on drugs.
- Assisted patients with over-the-counter medication recommendations and responded to questions concerning drug interactions.
- Assisted patients in minimizing medical expenses by recommending generic alternative prescription medications.
- Checked medication bottles for proper labeling before allocating to patients.
- Assisting Pharmacy Assistants by guiding them through proper usage of drugs
- Annual EDPMS submission of drugs' price list.
