\*Azure fundamentals

## PLANTING

I love planting. Every time I have a free time I go to our backyards to plant some crops, plants and flowers. And sometimes I go to the forest of my grandfather to check if there are any fruits and vegetables that need to harvest and need some water.

## PROFESSIONAL SUMMARY

Network Engineer who really wants to change my career. I really wanted to work in Canada and I believe my working experiences in farming is not enough. But I can guarantee that I will do my best and will prove that I am fit for the position and I am flexible.

## SKILLS

- Harvesting
- Organic farming
- Insecticides Application
- Crop Inspection
- Inventory management
- Cash Handling
