

**Desired Position:** Fitter/Machinist/welder, Crane Operator, Rigger

**Name:** Crisostomo D Santos

**Address:** # B1 L1 Greenheights Executive Homes 4

F.Y. Manalo St. San Isidro Cainta Rizal

**Telephone #:** + 63284008343 or 639183617347

**E-Mail Address:** [radioshack\\_chrisantos@yahoo.com](mailto:radioshack_chrisantos@yahoo.com)

**Nationality:** Filipino **Passport Validity:** 11/12/2019 to 2029

**Date of Birth:** January 27, 1965 **SRB Validity:** 27/03/2021 to 2031

**Gender:** Male **US VISA Validity:** 01/09/2017 to 23/08/2022

**School attended:** College - Bulacan State University (BSU) (formerly BCAT) City of Malolos, Bulacan

- Bachelor of Science in Industrial Technology (BSIT)

- Major in Mechanical Technology - 1984 - 1987

- (BSU) Two years Machine Shop Technology - 1982 - 1984

Secondary - Saint Anne's Catholic High School - 1978 - 1982

Primary - Hangga Elementary School - 1972 - 1978

**Occupational Held:**

I am a fitter/machinist in an International Seagoing Vessel for 27 years in my sea service experience, from 1988 to present, in most type of ships like OBO, BULK, Container, Chemical Tanker, Crude or Product Tanker and Liquefied Natural Gas Carrier (LNG/C), Methane Gas Carrier from (BG) British Group of Company. I had been to a Shuttle Tanker from Teekay Shipping. I want to have a permanent or long term of employment if possible. I can be a Welder; Mechanical Technician and a Plumber is related to my work experience. I have extensive experience in overhauling of any kind of mechanical job maintenance and trouble shooting. I can easily adapt to any kind of working related situation. Fabrication and modification are one part of my ability especially if there is no available spare parts onboard ship. I can always combine my education and my experience to get a positive solution to every problem I encountered. Safety First and Working as a team is always is one of my goal. I am willing to undergo for training as part of my additional knowledge and expertise. I have a training certificate in Crane operator, Rigging and Slings and Helicopter landing officer (HLO) year 2011.
