 Block 11 Lot 25 3Verde Rosa, Sanja Mayor,
Tanza, Cavite 4108 Philippines

CAREER OBJECTIVE Seeking a position as a sheet metal worker and fabricator where I could utilize my expertise in installing, fabricating and assembling sheet metal equipment, while displaying integrity, collaboration and work ethics in the working environment.

PROFESSIONAL EXPERIENCE

- **Sheet Metal Worker**
Naval Shipyard, Philippine Navy
01 July 2014- Present
- **Office Assistant**
House Research and Development
June 2012 - June 2014

HIGHLIGHTS OF QUALIFICATIONS

- Fabricates, assembles, installs and repairs sheet metal products such as fresh water tanks, hinges, ammunition boxes, ventilators, strainers and rat guards
- Reads and interprets specifications such as blueprints, sketches, plans and working drawings, selecting gage and type of metal specified or based on sheet metal work experience
- Locates and marks dimensions and lays out reference lines on sheet metal
- Sets up and operates fabricating machines such as shears, brakes, bending rolls, and punch and drill presses to cut, bend and straighten sheet metal
- Shapes metals over anvils, blocks or forms using hammer
- Inspect assemblies and installation for conformance with specification using measuring instruments such as calipers, scale and micrometer
- Communication and interpersonal skill
