## Courses

**English Course** Present

I am still learn english and get the course for improve my skill.

## Profile

I am graduated from University of Panca Bhakti, Economic Degree with total score cummulatif 2.90. Since long time ago, I have search scholarship for continue master program therefore my finance is not supporting me to get more study and then I try to search job abroad from any website such as indeed, ziprecruiter, etc. I expect when I get the job and stay in Europe or america I will also applying the master program for achieve my dream that I ever talked to my father before died. He only supported me until senior high school because my father just a laborer, actually he really want support me to get higher study and seeing me become a success man and I try working hard to steal a chance and I believe that the opportunity someday will be come to me.
