+63 939 298 1283

A simple person with years of experience in driving light truck, in pig farming and agriculture, seeking an opportunity to work in a high level professional environment. A person with a positive and can-do attitude that is willing to learn more and accepts corrections for the sake of improvement.

Willing to relocate: Anywhere

Work Experience

Delivery Driver/Swamper/Helper

DT Ramos Hardware and Construction Supply - Marilao

October 2018 to Present

I'm a light truck delivery driver. I am responsible in conducting pre-trip and post-trip inspection of the vehicle. Perform minor or simple fixes and report bigger problems or defects on the vehicle. I also help my partner in loading the truck with orders/items and deliver to customers in good conditions and in a timely manner. I also maintain the cleanliness of the truck assigned.
