Paranaque City

March 18, 2019 to October 1, 2020

Amkor Technology Philippines P1

Maintenance Equipment Technician

- Repaired wire bonding machine endorse to major repair group. Reduced machine downtime, thus increasing machine output and efficiency
- Coordinated for the qualification of newly acquired machines
- Performed weekly calibration and preventive maintenance of machines
- Audited inventory for spare parts for immediate request

Muntinlupa City

September 2014 to June 2015

Amkor Technology Philippines P1

Supervised Industrial Training 3

- Familiarize Semiconductor Manufacturing processes
- Perform Repair /Troubleshooting on Wirebonding machine (KNS,EAGLE 60)
- Process Machine Qualification for production used
- Assist on Machine Hauling

Muntinlupa City

March 2014 to August 2014

Baronessa Metal Corporation*Supervised Industrial Training 2*

- Familiarize Semiconductor Manufacturing Processes
- Perform Autocad for Customers order request
- Familiarize Metal casting Processes

Bacolod City*April 2013 to May 2013***Central Azucarera de La Carlota***Supervised Industrial Training 1*

- Assisted in cleaning evaporators
- Familiarized sugar-making processes

La Carlota City*April to June 2012***SEMINAR AND CERTIFICATES**

- Licensed Mechanical Engineer (License No. 0102415)
- First Aider with AED (Philippine Red Cross)
- Basic Safety Orientation (World Safety Organization)
- Construction Occupational Safety and Health (COSH) with 2H Training of Trainers (ToT)
- Member, Philippine Red cross
- Member, Philippines Society of Mechanical Engineers
- Project Management Simplifie (Linkedin Learning)
- Lean Six Sigma Foundations (Linkedin Learning)

SKILLS & INTERESTS

Skills: MS Office, Word, Excel, PowerPoint, AutoCAD, Electro-Pneumatic Design, Basic and Advance Machining, Project Management Skills. Task management, prioritization, delegation, task separation, scheduling, risk management
