

Frances Fernan Pansacala Nazareno

mtts0433@gmail.com
09668832459

Present Address:
Purok 8 Poblacon Manticao, Cagayan De Oro City 9024,
Misamis Oriental, Philippines

Basic Information

Age	Birth Date	Gender	Civil Status
36	Nov 03, 1985	Male	Married
Height (cm)	Weight (kg)	Nationality	Religion
120	60	Filipino	Christianity - Catholic

Work Experience

I have been working for 14.91 years

May 2011 - Aug 2021
(10 Years, 4 Months)

BMS/Electrical Foreman-Technician

Modern Times Technical System
Construction / Building / Engineering
Saudi Arabia

- 1.) Database downloading and testing of control panel. Together with site engineer performing testing and commissioning of bms control panels, field sensors devices, VFD, AHU, electrical panels monitoring link to bms.
- 2.) Ability to learn the buildings and general layout serviced by the building automation system. Supervised and monitors progress for proper operation connected and controlled to building automation system. Capable of control wiring installation and troubleshooting on motor control panels, PLC(Digital and Analog)controllers, Electrical contactors and contact relays.
- 3.) Able to interpret electrical drawings, electric circuit control wiring diagram and schematic diagram on different standard application. Perform control wiring installation and termination such as motor controls, VFD, AHU, Package Unit, Electrical Panels, DDC Panels, Chillers, VAV, Air Valves and Field sensors devices such as Duct Static Pressure, Air Flow Meter, Temperature Sensors, Differential Pressure Switch, Cooling Valves, and Actuators.
- 4.) Install and termination of control lighting system(KNX). Downloading physical addresses, parameters, troubleshooting and rectify faulty circuits according to design parameters, testing and commissioning. Reads electrical and bms plan layout, schematic and control wiring diagram. Able to install DDC Panels, controllers and field sensor devices until proper termination of control cable wires.

Jan 2007 - Dec 2009
(2 Years, 11 Months)

Instrument Tech./Electrician

Consolidated Contractor Company
Oil / Gas
Saudi Arabia

- 1.) Assist for testing and commissioning for electrical panel, transformer, lighting and power panel, and electric motor. Plan layout and installation of electrical wiring equipment and fixtures based on job specification and local codes.
- 2.) Positioned, Maintain and Installed distribution and control equipment such as switches, relays, circuit breaker panels, and enclosure. Install panel boards, conduit pipes, cable trays, and raceways. Cable pulling, Cable meggering and assist for high pot. Testing.
- 3.) Cable glanding and termination of medium and low voltage, electrical panel, transformers, control cables, motor controls. Ability to read, understand, and interpret schematic and wiring diagram, electrical plan and layout. Installation of field sensor devices, field junction box, instrument airline piping system until proper termination of power and control cables.

May 2005 - Nov 2006
(1 Year, 6 Months)

Industrial Electrician

Interverse Management and Manpower Resources, INC.
Construction / Building / Engineering
Iligan City

- 1.) Installation of conduit pipes, cable trays, and raceways. Panel layout and design according to schematic/drawings. Read electrical schematic and wiring diagrams.
- 2.) Cable glanding and termination of power cables, control cables, and electrical panels. Troubleshooting of control panel such as motor controls, analog/digital controls.
- 3.) Termination of electrical panel such as switchgear, mcc, distribution, lighting and power panel, transformers, DDC panel, PLC and electric motors.

Educational Attainment

Jun 2001 - Mar 2004

Iligan City Polytechnic College
Bachelor's / College Degree
Electrical Technology

Jun 1996 - Mar 2001

St. Anthony High School
High School Diploma

Trainings / Seminars

Sep 01, 2006 - Nov 21, 2006	Welding TESDA Region 10 Misamis Oriental
Apr 17, 2006 - May 17, 2006	Practical Electricity TESDA Region 10 Misamis Oriental
Nov 17, 2004 - Mar 17, 2005	On the job training Engr.Gabuco Mindanao Sanitarium and Hospital

Skills	Computer welding
