Professional license holder Tanker Truck driver with history of meeting company goals utilizing consistent and organized practices. Skilled in working under pressure and adapting to new situations and challenges to best enhance the organizational brand. Talented truck driver with good route planning, payment handling and customer service skills. Offering 22 years of experience and basic maintenance knowledge. Performance driven and detail-oriented with a methodical approach to following through on every need. Organized truck driver with proven track record of delivering within specified time frames. Customer focused and strong communication to effectively interact with others. Quick learner with management potential.

OBJECTIVE:

- To seek a position where I can continually enhance my skills and capabilities; to work abroad where I can increase my levels of responsibility alongside professional growth with utmost excellence, effectiveness and efficiency towards satisfactory job results while achieving financial stability in a workplace that radiates positivity

WORK EXPERIENCE:

- Tank Truck Driver
July 2000 up to present
AMRMR Trucking Corporation
San Fernando City, La Union, Philippines

As a responsible tanker truck driver, I am handling the workload that includes the following:

- maintains accurate logs and reports regarding on- time delivery of fuel mileage covered and fuel consumed. Drove tanker trucks to make deliveries of gasoline, lubricating oil and crude oil to customers
- completes incident reports for damages, accidents and other notable occurrences
- achieves daily delivery targets with optimized routes and quick turnarounds at delivery locations
- operates/controls "to load" tanks at fuel distribution depots
- unloads fuel at gas stations with utmost care to avoid spills
- completes/follows truck driving rules as well as company policies and procedures in accordance to safe vehicle operations
- checks shipping papers to determine nature of load and checked for presence of hazardous materials
- accomplishes preventive maintenance checks and basic repairs to vehicles
- inspects vehicle before and after trips and log/report mechanical problems to avoid unsafe hazards
- inspects trucks and trailers before each trip to assess safety and identify maintenance concerns
- confers with dispatch to relay delays, receive route and adjust plans to meet daily targets
- inspects truck for defects and safe operating condition before, during and after trips
- determines quickest and safest routes for delivery by using effective planning and organizational skills.
