Experience

- **Netcare The Bay Hospital** Aug. 2020 - Up to date
Ward Care Giver
I'm a ward Care Giver. I assist patients with basic needs, medical needs and environmental surroundings. Those who cannot eat by themselves also get the assistance. I'm responsible for physical care and emotional care as well as general health care. I also assist patients with mobilising. I'm the eyes and ears of the professional, monitoring patients who are unstable and report immediately to the professional nurse. I'm a hard working and a very diligent person.
- **Netcare Waterfall City** Oct. 2017 - Dec. 2019
Ward Care Giver and stock controller
Managing of stock in ED Dept., as well as assisting patients with basic needs. I had a dual role of managing stock for the unit in the morning as well as being a careworker. I had to make sure the Emergency Dept. was equipped with all necessary medications and making sure all the Emergency Equipment was in working order.
- **Arwyp Medical Centre** July 2012 - Aug. 2017
Ward Care Giver
I worked as a ward caregiver. My main duties were rendering care to the patients. I also helped with food preparation/serving as well as eating. I had to assess medical needs and ensure hygiene environment. I rendered physical care as well as emotional care and mobility assistance.

Skills

- Can work on my own and can work as a team. Like the idea of team building. I believe I can assist with problem solving too.
