

ROMMEL G. DEL RIO

Machinist

rommeldelrio777@gmail.com

Bacolod City, Negros Occidental Philippines 6100

+639176130508

Summary

A highly skilled and goal-oriented machinist with 20+ years of experience and a Diploma of Technology Major in Mechanical Technology, proficient in operating various machines including lathe, milling, shaper, grinding, slotting, radial, shear cutter, boring and saws. Adept at fabricating jigs and fixtures as needed and proficiently using electric welding (SMAW and GTAW) and oxyacetylene while consistently adhering to safety regulations and maintaining a clean and orderly work area. Possesses strong leadership skills, ability to motivate and support teams in achieving company's advancement and progress. An asset to any team or organization seeking a skilled and experienced machinist.

Skills

- Over 20 years of extensive experience as machinist with expertise in milling (vertical and horizontal)
- Lathe Operator.
- Operates most types of manual machines shop equipment including slotting, shaper, boring, grinding, drilling, shear cutter, and hacksaw.
- Welder (GTAW and SMAW).
- Proficient in using measuring tools such as micrometer and vernier caliper.
- Ability to operate oxyacetylene.
- Strong attention to detail, accuracy and safety.
- Flexible to work under pressure, with ability to work with little to no supervision.
- Willing to learn new skills.

Work Experience

Machinist—09/2001-present

Eduard Metal Industries: Bacolod City, Negros Occidental, Philippines, 6100

- Fabricates different types of gears such as spur gear, helical gear, rack and pinion, bevel gears, worm gears and internal gears with the correct module, cutter and number of teeth.
- Fabricates jigs and fixtures to meet manufacturing needs and increase efficiency.
- Operates lathe machines; cutting, drilling, shaping and threading.
- Studied sample parts, blueprints, drawings and engineering information to determine the sequences of operations to ensure accurate production.
- Operates welding machines (GTAW and SMAW)
- Efficiently operates grinding machines for sharpening cutting tools.
- Collaborates with engineers and other team members to improve production processes and procedures.
- Used tap and die for threading.
- Weld different types of metal such as stainless steel, cast irons, mild steel, and carbon steel.
- Performs routine machine maintenance, including cleaning and lubricating machines, replacing damaged parts and ensuring that machines are in good working order.

Education

June 1998 –March 2001

Diploma of Technology Major in **Mechanical Technology**

Carlos Hilado Memorial State College

Trainings/Seminars Attended

- Water Safety, Rescue and Survival Techniques Refresher Training.
- Community Emergency Response Team (CERT)
- Emergency Medical & Rescue Training
- Basic Bomb Safety, Identification and Detection Course

Personal Information

Full Name: Rommel Gregorio Del Rio

Age: 41

Sex: Male

Status: Married

Height: 5' 4"

Weight: 56 kg.

Birth Date: September 04 1981

Birth Place: Binalbagan, Negros Occidental

Language Spoken: English, Tagalog

Passport Number: P3500182B

Expiry Date: Oct. 09 2029
