

JOSHUA T. GUINTO

Screen Printer

Plaridel, Bulacan, Philippines

Phone +63 (969) 1282-102 Email guintojm0109@gmail.com

SUMMARY

Detail-oriented screen printer with 10 years of wide experience and considerable expertise in color mixing and customized framing. Capable to handle several projects at once while maintaining quality output in a time-constrained set-up. Flexible and able to grasp new concepts and printing applications quickly. Knowledgeable in different kinds of printing machines such as desktop printers, large-format printing machines, cutter-plotter machines, DTF-printing machines, heat press machines, and rotary screen printing machines.

EMPLOYMENT BACKGROUND

SCREEN PRINTER – July 2012 to PRESENT

P-Inked Advertising Services, Philippines

- Receive and evaluate the job orders to determine the estimated production time frame.
- Examine the mock-up design according to the client's specifications.
- Checking of ink, stencils, and other materials to be used.
- Checking the screen-printing rotary machine, line table, and pallets.
- Preparing the frame by stretching fine mesh on the wooden frame.
- Coating the photosensitive emulsion and exposing the screen in the dark room.
- Wash off the emulsion and check the mesh of the screen fabric to see the entire image.
- Installing and positioning screen printing plates.
- Performing the screen-printing process, including sample printing, to ensure correct color output and compatibility of ink with the fabric.
- Running prints and performing quality checks throughout the printing process.
- Drying, folding, and packing completed items.
- Reclaim old screens for reuse.
