

FRANCISCO LENDIO JR.

Purok Buli, West Poblacion, City Of Naga, Cebu, Philippines 6037 | +639914433131 | keolendio@gmail.com

Professional Summary

Systematic Control Room Operator with proficiency in identifying operational problems and quickly resolving issues. Excellent in examining and testing electrical power distribution machinery to achieve high-level production. Willing and able to work in exposure to process conditions like Heat, Dusty, Noise, Fumes, Cold, Vibrations and Moving equipment and other hazards related to the job during field work with Proper Protective Equipment for Safety purposes.

Skills

- Coal Processing Equipment
- Equipment Safety
- High-Pressure Turbines
- Meter Counting
- Average analysis in:
 - CAD and Solid Works CAD applications.
 - Non-Destructive Testing (NDT).
 - Electrical Wiring and Tools / Equipment's
 - Equipment Inspections & Vibration Analysis of Equipment.
- Equipment Maintenance
- Duty Assignments
- Safety Awareness
- Detail-oriented approach
- Proficient in using Microsoft Office
- Multitasking proficiency
- Verbal and written communication

Work History

Central Control Room Operator (CCR) Oct 2021 - Current
Century Peak Cement Manufacturing Corp. (CPCMC) Cebu, Philippines

- Performed emergency operations to shut down faulty equipment, maintain electric service, and safeguard station machinery.
- Inspected plant activities on screens and computers to identify and troubleshoot issues.

Taiheiyo Cement Philippines Incorporated (TCPI) Cebu, Philippines

- Developed technical skills through training and shadowing experienced professionals.
- Read and interpreted blueprints, technical drawings, schematics, and computer-generated reports.

Education

Bachelor of Science: Mechanical Engineering Apr 2015
Cebu Technological University Main Campus Cebu, Philippines

- Recipient of THE SCIENCE CLUB MONTH 2011 (2nd Place) -September 30, 2011
- Recipient of NATIONAL SCIENCE CLUB MONTH CELEBRATION (1st Place) -September 30, 2009
- Mechanical Engineering – On - Job - Training, Taiheiyo Cement Philippines Incorporated (TCPI), Completed February 11 – April 25, 2014

High School Diploma Mar 2009
Naga National High School Cebu, Philippines

TRAININGS AND SEMINARS

- **Fire Safety Seminar and Drill** (Cebu, Philippines) (TCPI) March 18 – 30, 2021
- **Don'ts in Handling Greases** (Cebu, Philippines) (TCPI) August 19, 2019
- **Don'ts in Handling Lubricating Oils** (Cebu, Philippines) (TCPI) July 26, 2019
- **Project Management Training** (Cebu, Philippines) OTS Technologies and Service Dynamic Center
PRC Accredited & CPD Program MEE-2016-004-761
Taiheiyo Cement Philippines Incorporated (TCPI) July 22-23, 2019
- **Bearing Basic and Maintenance Seminar** (Cebu, Philippines) (TCPI) May 08, 2019
- **Fire Safety Seminar Drill** (Cebu, Philippines) (TCPI) April 11-12, 2019
- **How to Inspect and Detect Sound and Temperature** (Cebu, Philippines) (TCPI) March 15, 2019
- **Fundamentals of Vibration** (Cebu, Philippines) (TCPI) February 08, 2019
- **Component Parts Used for Lubrication System** (Cebu, Philippines) (TCPI) January 22, 2019
- **Maintenance Management System Training (Phase 1) – Rank “B”** (Cebu, Philippines) (TCPI)
August 15 - 26, 2018

- **CCR Operator Training – Rank “A”** (Cebu, Philippines) (TCPI) January 22 – June 04, 2018
- **Fundamentals of Cement Manufacturing Seminar** (Cebu, Philippines) (TCPI) January 08– 19, 2018
- **Autonomous Maintenance Intermediate Level Training** (Cebu, Philippines) (TCPI)
- **Plant Air Compressor, Roots Blower & Air Slide Fundamentals and Inspection Criteria** - January 14, 2016
- **Crusher, Impact Hammer Mill & Roller Press Fundamentals and Inspection Criteria** - March 07, 2016
- **1A21 Belt conveyor & 1E48 Kiln EP Fan** - April 22, 2016
- **1H01 ID Fan East, 1H02 ID Fan West & 1I70 Cooler Bag Filter Fan** - July 04, 2016
- **1H51 Kiln & Lubrication System** - July 27, 2016

HOBBIES

- **Baseball:** Actively playing on a local team, demonstrating teamwork and collaboration in a competitive environment. Experience as team captain honed leadership and decision-making skills.
- **Badminton:** Regularly participate in local badminton tournaments, showcasing discipline and dedication to skill improvement. The sport contributes to overall physical fitness and stress management, promoting work-life balance.
- **Animation Enthusiast:** Avid follower of animated storytelling, particularly anime. Enjoys exploring different cultures and perspectives through diverse animated works.
