

KimberLynn U. Ticman, RMT, MLS(ASCPi)
Brgy. Tandoc San Carlos City, Pangasinan, Philippines
+639560298686 kimberlynnticman892@gmail.com

Skills Summary

- . Proficient in the use of English language both written and oral
- . With basic computer skills, background with computer operating system
- . Knowledgeable in handling and troubleshooting the following equipment per section:

A. Hematology

1. MS-H650 Hematology Analyzer
2. Mindray 300 Plus
3. Mindray BC-5000
4. Biobas 10 Coagulation Analyzer

B. Clinical Chemistry

1. MS-380P Automatic Biochemistry Analyzer
2. Abbott Architect c4000 Chemistry Analyzer
3. Dri-chem NX500
4. Mindray BS-480 Chemistry Analyzer
5. HTI E-Lyte Plus Electrolyte Analyzer
6. Easylyte Expand Electrolyte Analyzer
7. Finecare TM FIA Meter
8. Wondfo Finecare FIA Meter Plus FS-113
9. Snibe Maglumi 800
10. Bio-Rad D-10
11. Clover a1C Self HbA1c Analyzer
12. Boditech Afias-1
13. iChroma TM II- Boditech
14. Agappe Mispa-i3 Automated Cartridge Based Specific Protein Analyzer
15. Abbott I-stat I Analyzer 300 Series
16. Opti CCA –TS2 Blood Gas Electrolyte Analyzer
17. Edan i15 Blood Gas and Chemistry Analyzer

C. Microbiology

1. Vitek 2 Compact

- . Can easily relate to situations and experiences and emotionally stable
- . Understand and carryout oral and written policies and procedures
- . Works with a minimum supervision.

Work Experience

Senior Staff Medical Technologist - Generalist

Alrafa Cardiovascular Diagnostic Center / August 2022 – PRESENT

William Shaw St. Cor. Urbano Plata St. Edsa Caloocan, Metro Manila, Philippines

1. Performs venipuncture for out-patients
2. Analyzes blood, urine, feces and other body fluids
3. Performs routine quality control and calibration of different equipment
4. Verify and validate laboratory results and log appropriately according to established lab protocols
5. Inventorying laboratory stock and supplies, as well as ordering replenishments
6. Confidentiality maintenance.

Senior Staff Medical Technologist - Generalist

Blessed Family Doctors General Hospital / September 2015 – March 2022

Brgy. Ilang San Carlos City, Pangasinan, Philippines

1. Performs venipuncture for out-patients and in-patients
2. Collects oropharyngeal and nasopharyngeal swab samples
3. Analyzes blood, tissue, urine, feces, and other body fluids
4. Performs routine quality control and calibration of different equipment
5. Performs routine and special laboratory tests
6. Performs microbiology tests
7. Making decision on specimen validity upon receiving
8. Verify and validate test results.

Medical Laboratory Science Internship

Saint Louis University Clinical Laboratory / May 2014 – November 2014

1. Collect blood samples to out-patients
2. Performs routine tests under the supervision of a staff Medical Technologist
3. Performs quality control to different equipment under the supervision of a staff Medical Technologist
4. Maintain the cleanliness and orderliness of the laboratory.

Medical Laboratory Science Internship

Saint Louis University Hospital of the Sacred Heart / November 2013 – May 2014

1. Collect blood samples to out-patients and in-patients
2. Receive and log requests and samples for processing
3. Prepare samples for reading and testing
4. Assisted in performing routine and special tests
5. Maintain the cleanliness and orderiness of the laboratory.

Licenses and Certification

- . **Certified International Medical Laboratory Scientist / May 2019**
MLS(ASCPi)^{CM}
American Society for Clinical Pathology
- . **Evaluated by World Education Services (WES), as equivalent to a Bachelor's degree from a regionally accredited institution**
U.S equivalency: Bachelor's degree
- . **Registered Medical Technologist / March 2015**
Professional Regulations Commission – Philippines

Trainings / Seminars Attended

- . **16th PCQACL Annual Convention: Delivering Patient – Centered Laboratory Medicine / September 2019**
Philippine Council for Quality Assurance in Clinical Laboratories
- . **Newborn Screening Collection / July 2019**
Department of Health – Philippines

Online Trainings / Seminars Attended

- . **Biosafety, Biosecurity and Biorisk Management Training (24 Hours) / February 2023** Department of Health – Research Institute for Tropical Medicine
Philippines
- . **BRAP 2023 webinar series no. 3: “Safety in the Lab: Clinical Chemistry / May 2023** BioRisk Association of the Philippines 2015, Inc.

Education

- . **Bachelor in Medical Laboratory Science / November 2014**
Saint Louis University
Bonifacio St. Baguio City, Philippines
