

# Joseph M. Delos Santos

## Career Summary

I am an energetic welder with 15 years of experience, my main goal is to be part of the Growing Industry where I can contribute my skills. I work as a welder in DUBAI UAE for 1 year, working on cooling tower airport. I re-apply as structural welder in JEDDAH KSA working on variety of projects, assigned in tunneling maintenance group sewerage line and weld boring machine head, pipes, ladders and other welding jobs. I join small group ESTONG CONTRACTING GROUP that works on variety of projects such as steel truss, steel gates, steel window grills, and water tanks both GI and STAINLESS, railings both mild steel and stainless. October 2016 to December 2022, I relocate to Baguio City work as a welder/ leadman in CASA Infiniti Realty Co. Willing to be trained and experience new welding techniques and categories.
