OBJECTIVE:

- To obtain an entry-level job with LMIA – Labour Market Impact Assessment.

SUMMARY:

Dedicated and physically capable farm worker with extensive experience in all aspects of farming, including mixing fertilizer, planting and irrigating crops, operating and maintaining farm equipment. Seeking a challenging farming role where my attention to detail, hand-eye coordination, and ability to handle physically demanding tasks can contribute to a successful harvest.

SKILLS AND QUALIFICATION:

- Experienced in mixing fertilizer and applying it to crops.
- Skilled in planting, cultivating, irrigating, and fertilizing various crops.
- Competent in operating and maintaining farm equipment.
- Experienced in examining produce for quality and preparing it for market.
- Capable of sorting, packing, and handling fruits and vegetables with great attention to detail.
- Proficient in picking row and orchard crops and handling heavy loads
- Able to distinguish between colors and stand for extended periods.
- Willing and able to work overtime, and comfortable with repetitive tasks.
- Exceptional hand-eye coordination and adaptability to bending, crouching, and kneeling as needed.

WORK EXPERIENCE:

Farm Helper

Family Owned Farm – Compostela Valley, Davao Del Norte 1988 – 1995

- Successfully mixed fertilizers and applied them to various crops to optimized growth.
- Planting, cultivating, irrigating and fertilized crops, ensuring healthy development.
- Assessed produce for quality, sorted it, and prepared it for market distribution.
- Demonstrated proficiency in picking row and orchard crops and handling heavy loads.
- Conducted repetitive tasks as needed and consistently maintained a high-level of attention to detail.
- Efficiently loaded, unloaded, and transferred crates, supplies, and farm produce.

- Adapted to standing for extended periods, distinguishing between colors, and bending, crouching, and kneeling as required.
- Frequently worked overtime to meet the demands of the farming season.

Laboratory Assistant

University of San Jose – Recoletos, Cebu City Philippines June 2004 – March 2007

- Maintains computer hardware and software applications inventory for ensuring availability of equipment and/or instructional material in computer lab.
- Performs routine and repetitive maintenance of computer lab and classroom equipment for the purpose for ensuring the availability of equipment in safe operating condition.
- Monitors student activities while in computer lab for maintaining a safe environment that is conducive to learning.
- Prepares documentation for the purpose of providing written support and/or conveying information.

Creative Head - Graphic Artist

Alcordo International Inc. Cebu City Philippines May 2007 – Present

- Conceptualized and designed visually compelling advertising materials, including print ads, digital campaigns, billboard and more.
- Lead a team of graphic artists, providing art direction and guidance to ensure brand consistency and campaign effectiveness.
- Collaborated with copywriters, account managers, and clients to develop creative briefs and deliver projects that meet client objectives
- Managed complex advertising campaigns, overseeing multiple design projects, meeting tight deadlines, and ensuring high-quality deliverables.
- Conducted in-depth client consultations to define project goals and target audience, resulting in tailored design solutions.
- Contributed to the growth of the agency by consistency producing designs that resonated with target audiences.
- Stayed updated on advertising trends, emerging technologies, and design software to maintain a competitive edge.
- Developed and maintained brand identities for clients, ensuring brand consistency and recognition.
- Operates Plastic Cutting Machine & Plotter Cutter for Stickers.

EDUCATION:
