Ilocos Sur

Dear Dr. Lopez:

I am interested in the position of Pharmacist II (Pharmacy Development Project) for Ilocos Sur. I am currently working as a Community Pharmacist. In the past four years, I have experience in LTO Registration, EDPMS, ordering of medicine and inventory management.

Working as a community pharmacist you will encounter different kind of people. When they go to the pharmacy to get their medication it is the duty of a pharmacist to ensure that the medicine to be dispense is safe and effective, that it should be given to the right patient with the right dose. With these experience I can assure that I can assist with the Position Pharmacist II.

I have enclosed my resume and I'd be happy to have an opportunity to work with Department of Health Region I. My mobile phone number is 09123089291 and my email address is gacutancristy@gmail.com. Thank you for your consideration.

Sincerely,

Cristy Gacutan
