Francia, Homer Allen C.

Automotive Technician

JOB DESCRIPTION

Maintenance

- Proficient in routine vehicle maintenance tasks like oil changes, brake inspections, tire rotations, and fluid checks, ensuring high-quality upkeep.

Diagnostics

- Highly skilled in pinpointing complex automotive issues using advanced diagnostic tools and intuitive problem-solving.

Repairs

- Expert in repairing a wide range of vehicle components, from engines and transmissions to suspension and steering systems.

Overhauls

- Experienced in overhauling critical vehicle components, including disassembly, cleaning, inspection, and reassembly for peak performance.

Tools and Equipment

- Proficient in using advanced automotive tools and equipment, enabling efficient and precise work.

Customer Service

- Effective communication with customers, providing clear explanations of issues and repair options while building positive relationships.

Safety and Compliance

- Committed to following safety protocols and industry regulations, ensuring environmentally responsible practices and adherence to safety standards.

WORK EXPERIENCE

• All Around Technician

Mazda I Makati City I
