## Work Experience

*I have been working for 2.56 years*

Apr 2022 - Jul 2023  
(1 Year, 3 Months)

## **Maintenance/Machinist**

Mitsukoshi Motors Philippines Inc.  
Manufacturing / Production  
Carmona Cavite

### Maintenance/machinist

- keeping property or equipment in good condition by making repairs, correcting problems, etc.
- Regular maintenance ensures that the production conveyor and its specific components remain in good order and condition.
- fabricate racks for motorcycle parts that are used in the production line.
- fabricate parts of motorcycle parts that have defects from the supplier, like the rear shock holder and bracket of the brake caliper, and also fabricate special tools that are used in the production assembly.
- install and repair close-circuit television (CCTV) cameras.
- machining parts of a motorcycle that have defects.
- Install a switch hub and internet cable for an internet connection.

### *Other Task*

- receiving parts, tallying them to the packing list that is given by the supplier, and putting a pallet tag on it that contains the quantity per pallet and date it arrived.
- checking the parts that are picked by the picker and re-counting the boxes, bundles, and sacks that contain the purchase order (P.O.) and checker done to the system
- picking up the purchase order (P.O.) at its location and sorting it by each dealer and picker out in the system
- Unload the container using an electric forklift.

May 2021 - Aug 2021  
(4 Months, 6 Hours)

### **Welder/Machinist**

Four A Machine Shop  
Manufacturing / Production  
Meycauayan, Bulacan

Welder/Fabricator

- Fabricating heavy brackets that are used in bus air conditioning and magnetic brakes, I also repair broken bus propellers, bus A frames torque rods, radiator fan pulleys, slip yokes, end yokes, and U joints.

Machinist

- In machining, I make bus parts and special tools that are used when repairing the bus. I make king pins, leadscrews, heavy-duty bearing pullers, and small parts that are used in engine buses and engine chassis.
