## TEACHING EXPERIENCE

### Kindergarten Teacher

Upper Bicutan Elementary School  
June 2013- Present

- Created lesson plans in accordance with learning goals assuring that all pupils fully understand all concepts.
- Conduct assessments of students to determine individual learning needs.
- Led activities that develop learners' physical, emotional, and social growth.
- Facilitated small group instruction to address individual learning needs.
- Worked closely with parents and guardians to address learners' problems from a variety of angles.

### Receiving Teacher for Exceptional Children

Upper Bicutan Elementary School  
June 2016- Present

- Helped pupils with special needs integrate into regular classroom environments by advocating for individual requirements and helping teachers solve the problem.
- Assisted struggling students to maintain progress levels by designing individualized educational plans focused on areas for improvement.
- Moreover, it is our responsibility to provide the necessary resources and support to ensure all students have the opportunity to succeed.

### Special Education Teacher 1

Creating Equal Opportunities for Students with Special Needs  
As an educator, it's a top priority to ensure that all students, particularly those requiring additional support, have access to the same opportunities. A key strategy is to customize lesson plans based on each student's unique needs and areas for improvement. By doing so, struggling students can thrive in the classroom and beyond.

## ACHIEVEMENTS

- Content Video Creator  
Physical Education for 6th  
Grade.
- Module Writer for  
Kindergarten.

## SKILLS

- Proficient in MS  
Office(Word, Excel,  
PowerPoint) and  
Google Classroom
- Microsoft Teams
- Bilingual teacher
