SUMMARY

Reliable WELDER accomplished with different metalworking techniques, types of projects and environmental conditions. Works independently to accomplish project goals and consistently completes assignments on-time. Skills include brazing, welding and flame cutting. Talented professional experienced in welding, metal cutting and soldering. Brings strong attention to safety and quality. Team player with skills to read, understand and implement complex instructions. Highly-motivated with desire to take on new challenges. Strong work ethic, adaptability and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills.

SKILLS

- Shielded Metal Arc Welding Parts Fabrication
- Weld Inspections
- Component Assembly
- Precision Measurement
- Gas Metal Arc Welding
- Equipment Management
- Defect Repair
- Specification Reading
- TIG Welding
- Stick Welding
- Material Costing
- Grinders
- Fabrication
- Equipment Monitoring
- Job Orders
- Materials Selection
- MIG Welding

WORK EXPERIENCE

DTMS ENTERPRISES

October 2019 to November 2022

- Welded metal pieces together using MIG, TIG, and other welding processes as required.
- Inspected welds for accuracy and adherence to quality standards.
- Repaired damaged metallic components utilizing welding techniques such as gas tungsten arc welding or shielded metal arc welding.
- Performed preventative maintenance on all welding equipment.
- Maintained a clean work area in accordance with safety regulations.
- Identified any defects in the fabrication process and took corrective action when necessary.
- Cleaned and prepared surfaces for welding operations by grinding, sanding, or polishing as needed.

- Attended regular safety meetings to stay up-to-date on best practices while working with hazardous materials.
- Made steel form parts using various cutting equipment and welded part together per specifications.
- Checked angle of pipe on angle table.
- Welded fabrication materials, continuously checking for safety and quality.
- Familiar in blueprints, drawings, caliper, tape measures
