COVER LETTER

DEAR CAVES MANPOWER AND CONSTRUCTION CORPORATION

I am Christian Jonley Navarro, want to apply as ELECTRICIAN & AUXILIARY TECHNICIAN i have 6 years experience in Electrician & Auxiliary technician as a freelance contractor in the philippines since 2018, my work is to be a substitute contractor in different company and individual engineer while i am studying year 2018 and mostly my project is CCTV TROUBLESHOOTING AND INSTALLATION BOTH IP AND ANALOG SYSTEM, ELECTRICAL TROUBLESHOOTING AND INSTALLATION FIRE DETECTION AND ALARM SYSTEM INSTALLATION, BURGLAR ALARM INSTALLATION AND DATA CABLING and also, i have 1 year experience as SAFETY OFFICER in construction company and my current job right now is still counting my experience as a freelance contractor.

Now wanting to take opportunity abroad and applying the work field that suits in my line of skills, its because my current freelance work here is not stable and also the main reason for taking step abroad is to provide my family financial problem and hopefully your company team will give me opportunity to take a shot to work your company. Thank you.
