SUMMARY OF QUALIFICATIONS

- Completed comprehensive, hands-on welding technology training program.
- Eager to use my training and increase my skills to benefit the company.
- Can interpret blueprints, diagrams, sketches, and plans to determine appropriate materials and time frames for projects using imperial system units.
- Almost 10 years of experience as a MIG/GMAW/FCAW/SMAW Welder. Relocating, highly responsible Welder with a strong work ethic looking for a company where I may be able to employ my knowledge of safe welding practices along with extensive experience in welding different materials using an array of tools and equipment.

WORK EXPERIENCE

Company Email Address Address Industry Position Date	: Stark Fest Concrete Incorporated : starkfest.01@gmail.com : Rs City Square Ortigas Ave. Ext.Santo Domingo Cainta, Rizal, 1900 Philippines : Cement and Concrete Product Manufacturing, Nonmetallic Mineral Product Manufacturing, Manufacturing, Cement, Hydraulic : MIG Welder : January 2023 to November 2023
	Duties and Responsibilities <ul style="list-style-type: none"> • Assembly and connection of cable for welding machine to wire feeder going out into mig gun. • Repair of all welding defect, such as slug inclusion, porosity and fill holes. • Used oxyacetylene gas for cutting, • Perform gouging with Arc air Rod • Grinding and cleaning of weld joints. • Perform cutting of steel plates, angle bar and channel • Full welding of girder, column, diagonal I-beam bracing and stub out welding process smaw,fcaw and gmaw. • All butt joint weld passed through Ultrasonic and Radiographic test.
Company Contact Number Address Industry Position Date	: Subsea Services Incorporated : 02 523-3895 : 1855 F.B. Harrison Street Brgy. San Rafael Pasay City : Structural steel and Construction : Helper (Probationary Welder) : August 2022 to December 2022
	Duties and Responsibilities:

		<ul style="list-style-type: none"> • Weld components in flat, vertical and overhead positions. • Produced and maintained metal products and structures Welded joints, railings, steel window frames and grills into place in accordance with given blueprints. • Restore, repair, fabricate, welding, and metal work throughout for private customers as per desired request.
Company Contact Number Address Industry Position Date	: : : : : :	Amsteel Structures Incorporated 451-0194 88-98 Velasquez St. Taytay, Rizal Structural Steel Fabrication Company GMAW/FCAW/WELDER Aug. 21, 2014 to Sep. 15, 2015 and Feb. 20, 2017 to Nov. 2017 Duties and Responsibilities: <ul style="list-style-type: none"> • Welding of silo molds for mega wide project • Full welding columns guider and splicing of beams, butt joints and all attachments • Performing other works such as punching of holes of purlins, and fitting of pipes for silo tanks • Performing manual bending and heating of round bars using oxyacetylene used for cross bracing • Performing 5s and all safety procedures on the field.
Company Contact Number Address Industry Position Date	: : : : : :	Grandspan Development Corporation 651-1451 National Road, Tagpos, Binangonan, 1940 Rizal Structural Steel Fabrication Company GMAW/FCAW/WELDER May 8, 2013 to Aug. 2014 and Sep. 30,2015 to Mar. 7, 2016 Duties and Responsibilities: <ul style="list-style-type: none"> • Operated manual or semi-automatic welding equipment to fuse metal segments using processes such as (FCAW),gas metal arc welding, (GMAW), Shielded metal arc welding (SMAW), all processes base in standard procedures with full radiographic test and ultrasonic test in all welded joints • Read and interpreted welding symbol and welding process specification (WPS) • Perform using gouging gas cutting of steel plate, angle bar and channel. • Full welding carbon steel tank using process fcaw inner shield and mig dual shield • Full welding of all structural works welding process gmaw for root pass and capping • Assist tank fabricator for tack welding. • Grinding and cleaning of weld joints. • Repair of all welding defect, such as slug inclusion, porosity and fills holes. • Full welding of box column 100mm thickness welding process fcaw and back gouging for fusing of welding edge.

Company Contact Number Address Industry Position Date	: : : : : :	BF Metal Corporation +632-656-0794 local 132/104 Structural steel and Construction KM 17 Ortigas Extension Cainta, Rizal FCAW/GMAW/SMAW/ Oct. 10, 2006 to Dec. 28, 2011 Duties and Responsibilities <ul style="list-style-type: none"> • Assembly and connection of cable for welding machine to wire feeder going out into mig gun. • Repair of all welding defect, such as slug inclusion, porosity and fill holes. • Used oxyacetylene gas for cutting, • Perform gouging with Arc air Rod • Grinding and cleaning of weld joints. • Perform cutting of steel plates, angle bar and channel • Full welding of girder, column, diagonal I-beam bracing and stub out welding process smaw,fcaw and gmaw. • All butt joint weld passed through Ultrasonic and Radiographic test.
