WORK EXPERIENCE

CLIMATE CHANGE & SUSTAINABILITY CONSULTANT 2022 - 2023
SGV & Co., Makati City Philippines

- GHG emissions audit report

To provide sound and relevant solutions to clients concerning their sustainability journey in their business, by understanding and evaluating the broader value impacts and outcomes – making them understand the risks and opportunities arising from climate and sustainability issues.

INTERIOR ARCHITECT 2021 - 2022
Centerline Design Solutions, Quezon City Philippines

- Burnt Ends – Execution phase

To translate furniture and fixtures into detailed architectural interior drawings with precise and accurate measurements according to the client's preferences – completing a set of construction drawings for client's approval.

FREELANCE ARCHITECT 2019 - 2021
Quezon City Philippines

Residential – Pre-Design to Construction phase

- Designing residential projects – design brief, analysis of the site, plan of building footprint, and planning restrictions and budget, are all important factors to consider maintaining the integrity of the overall project.
- Office Renovation – Pre-Design to Construction phase

To design a modern and spacious office space for a start-up music licensing company.

JUNIOR ARCHITECT 2017 - 2019
260 Inc., Makati City Philippines

- Bus Terminal – Pre-design to Design Development

To design a bus terminal with an extension of an office building, optimizing the existing space with enough space for buses to park and maneuver with a right turning radius and ramp slope.

- Residential projects – Pre-design to Design Development

To design an open and modern house to accommodate the room preferences of the client in a more personalized approach.

EDUCATION

MASTER OF ARTS IN INTERIOR DESIGN 2023 - 2024
Paris College of Art, Paris France

BACHELOR OF SCIENCE IN ARCHITECTURE 2012 - 2017
University of Santo Tomas, Manila Philippines

SECONDARY EDUCATION 2008 - 2012
Stella Maris College, Quezon City
