Experience

Sixth Grade Teacher

Suclayin Elementary School 2019 - Present

- Managed all subject learning areas in the 6th grade, demonstrating proficiency in delivering effective instruction across diverse academic disciplines.
- Provided decision-making processes, and collaborative planning, and contributed to the overall improvement of school management practices.
- Guided and mentored student leaders as the Supreme Pupil Government Adviser, fostering leadership skills, and civic responsibility, and promoting a positive school culture.
- Crafted engaging lesson plans, incorporating diverse teaching strategies to accommodate various learning styles and ensure an effective and dynamic learning experience.
- Constructed test papers and Tables of Specifications to accurately measure student learning and understanding.
- Organized and led sports activities, emphasizing physical fitness, teamwork, and sportsmanship among students.

High School Mathematics Teacher

Arayat National High School 2015 - 2019

- Delivered tailored and effective instruction to students, fostering a comprehensive understanding of mathematical concepts in Grade 7.
- Played a pivotal role in constructing test papers and Tables of Specifications, ensuring the accuracy and alignment of assessments with curriculum objectives.
- Crafted detailed lesson plans for 7th-grade Mathematics, employing diverse teaching strategies to engage students and create an interactive and dynamic learning environment.
