CAREER SUMMARY

Dedicated and dynamic educator with 24 years of experience fostering a positive learning environment for students. Proven track record of developing engaging curriculum, integrating technology effectively, and nurturing students' academic and personal growth. Skilled in differentiation to meet diverse learning needs and adept at fostering strong partnerships with students, parents, and colleagues. Committed to ongoing professional development and passionate about inspiring a love for learning.

TEACHING EXPERIENCE

MARCELO I. CABRERA VOCATIONAL HIGH SCHOOL/December 2009-Present

7th and 8th Grade Mathematics & Science Teacher

- Modeled exemplary practice in the application of knowledge and pedagogy showing integration within and across learning areas.
- Managed an inclusive classroom with 45-50 learners in school year and taught subject areas with concentration on Science 7 (General Science), Science 8 (Biology) and Mathematics 7.
- Used range of teaching strategies that enhance learner's achievement in literacy and numeracy skills.
- Maintained a positive learning environment by reinforcing rules for behavior and relationship building and informed students and parents of school policies and standards.
- Worked closely with colleagues to collaborate on the different approaches to improve student learning and achievement.
- Updated parents/guardians on learners needs, progress and achievement especially progress of struggling learners.
- Strengthened school-community partnership to enrich engagement of internal and external stakeholders in the educative process.
- Coordinated school programs and concerns with colleagues as grade

SAN MARIANO NATIONANL HIGH SCHOOL/February 2008-November 2009

Advance Algebra and Statistics and Probability Teacher

- Fostered critical thinking skills by incorporating problem-solving activities to daily lesson, preparing students for future academic challenges.
- Met with parents, guardians and counselors to address and resolve student's behavioral issues.

SAN JUAN NATIONANL HIGH SCHOOL/October 1997-January-2008

Algebra, Geometry, Trigonometry, Gen Science and Biology Teacher

- Administered intervention and remediation activities for students with learning difficulties and low-performing students.
- Coached players in baseball and track and field events.
- Visited students and connected with families from far-flung barangays.
- Hosted different school programs and activities
- Served as school ICT Coordinator and liaison officer.
