WORK EXPERIENCE

Department Of Health Center For Health Development - Nurse II
CARAGA-Philippines • 01/2014 - 07/2023

- Nurse II in the Department of Health typically provides direct patient care to at least 10 patients per day, supervises junior staff, contributes to care planning, maintains accurate records, educates patients and colleagues, participates in quality improvement initiatives, and adheres to healthcare regulations. Promoted a safe and comfortable healing environment by addressing patient concerns promptly and professionally.
- Conveyed treatment options, diagnosis information, and home care techniques to patients and caregivers to continue care consistency.
- Streamlined communication between patients, families, and healthcare providers to ensure a comprehensive understanding of care plans.
- We have developed individualized care plans tailored to diverse patient populations with varied medical conditions.
- Vaccinator during the COVID-19 vaccination in the community.

Riyadh College Of Dentistry And Pharmacy - Dental Assistant
Riyadh ,Saudi Arabia • 10/2010 - 11/2012

- Enhanced patient comfort by providing gentle and thorough dental cleanings.
- Streamlined appointment scheduling for increased efficiency and reduced wait times.
- Assisted 4 dentists with complex procedures, ensuring optimal patient care and treatment outcomes.
- Maintained a clean and sterile work environment to prevent cross-contamination and infection.
