

ENGR. PLATA, AMIEL RUSSEL

PROFESSIONAL SUMMARY

A team player who graduated in Electronics and Communication Engineering with a positive outlook in life. I am seeking a company where I can use my experience and education to help the company meet and surpass its goal. To be able secure a position with a leading organization that will lead to a long term career relationship and also to prove that not all good engineers came from the bright cities.

EXPERIENCE

Project Manager, 02/2023 - 09/2023

Carlpen Fiber Optics Installation Services

- Manage Telco Teams who are implementing Globe FBTS Access Project
- Led and motivated project team to meet and exceed project KPIs.
- Reviewed performance against targets, appropriately identifying and managing risks and opportunities.
