## PROFESSIONAL SUMMARY

---

Experienced Industrial Electronic technician with over 20 years in the manufacturing industry. Skilled in troubleshooting, maintenance and repair of industrial electronic systems and equipment. Proven track record of optimizing production processes through innovative solutions and continuous improvement initiatives. Strong dedication to ensuring efficiency, reliability and safety in industrial environments.

---

## SKILLS

---

- Problem-solving
- Diagnosis and fault finding
- Electronic repair
- Electronic component replacement
- Circuit diagram reading
- Electronic testing procedures
- Equipment performance analysis
- Technical equipment maintenance
- Technical equipment installation
- Calibration checks
- Record and Test report generation
- Manufacturing process improvement
- Distributed Control Systems(DCS)
- SOP procedures
- Pneumatic system

---

## PROFESSIONAL EXPERIENCE

---

### **Saudi Cement Company / K.S.A. April 2017 - present**

#### **Electronics Technician**

- Troubleshooting, diagnosing, repairing and Maintenance of electronics and instrumentation equipment in the field and workshop.
- Operate manual and automated machinery in dispatch area.
- Record daily activities and suggest improvements.
- Detail oriented with ability to follow complex instructions.
- Perform calibration in instrumentation equipment's and electronics devices.

### **Almarai Company / K.S.A. September 2014 -October 2016**

#### **Automation Technician**

- Performed backup and upload data from PLC, HMI, VFD and Servo Drives.
- Performed SOP procedure to the equipment for reference data record.
- Conducting weekly and monthly preventive maintenance using standard instrument calibration.
- Diagnose, Troubleshoot and repair machines and equipment in time of breakdown in the process line.
- Achieved employee of the month - September 2016.

### **Southern Province Cement Company / K.S.A. December 2001 -September2013**

#### **Electronics Technician**

- Troubleshoot, repair and maintenance of instrumentation electronics equipment in the field and workshop.
- Handling and Issuing of Instrument and Electronics item to the designated area.
- Worked experience in electrical job, cable pulling and wiring termination.
- Operate automated and manual machines in dispatch area.
- Record daily activities and suggest improvements.
- Achieved Production Award of the Year - 2009.

---

## **EDUCATION**

---

Electronics Technology - University of Rizal System - Philippines 1995

---

## **TRAINING COURSE**

---

- Programmable Logic Controllers Siemens 2011 - SPCC / K.S.A
- 5s for Better Workplace Management 2015 - Almarai / K.S.A.
- ISO 9001-2008 Awareness 2015 - Almarai / K.S.A.
- AIB Awareness 2016 -Almarai / K.S.A.
