

CAMELLE SERENO

Forester

As a committed Forester, I am on the lookout for dynamic opportunities that promise growth and enrichment on a personal and professional level. My versatile nature equips me to excel in diverse positions that resonate with my extensive skill set. I am recognized for my quick learning abilities and my capacity to integrate seamlessly into team environments, efficiently tackling responsibilities with little to no oversight. My expertise is rooted in Environmental and Natural Resources, bolstered by practical experience in professional office environments. Keen to broaden my scope and take on fresh challenges, I am also engaged in entrepreneurial endeavors on a part-time basis.
