Dear Sir/Ma'am

I am pleased to write to you today regarding my application for the Nursing position , I believe my qualifications and experiences make me suited for this position.

I have Bachelor's Degree in Nursing and licensed as a Nurse in my homeland (Philippines) and have 5 years of clinical rotation as a professional nurse. I was learning to build up more competent experiences, so i decided to leave my comfort zone and went here in Abu Dhabi, had my HAAD License and obtained exposure as a Registered Nurse for this past 6 years.

I am exceptionally organized, calm, and patient with excellent healthcare skills. I have handled diverse patients and developed so much passion in providing quality nursing care to patients.

I believed employment with your company would be mutually beneficial, as i am seeking a challenging work environment where i can use and develop my skills to the fullest extent. I'd love the opportunity to discuss my skill further and looking forward to hear from you.

With utmost sincerity,
Almarie Garcia Dacibar
