

WENCESLAO F. MANZANO JR

CNC MACHINIST

MALOLOS CITY, BULACAN, PHILIPPINES

+639061784018

wenceslaomanzano529@gmail.com

SUMMARY:

Experience CNC MACHINIST with a broad background in metal fabrication for over 15 years of experience operating MAZAK CNC LATHES (MAZATROL, FANUC CONTROL) Proven ability to work under pressure and actively seek solutions to problems while maintaining high-quality standards. Skilled in interpreting engineering drawings and manufacturing components to customer specifications. With the ability to run multiple machines simultaneously, while checking production for quality and precision

MACHINE OPERATED:

- ◆ MAZAK SUPER QUICK TURN 28M 3 AXIS (MAZATROL) WITH MILLING COMBINATION
- ◆ MAZAK QUICK TURN 28N (MAZATROL)
- ◆ CINCH MILL (C-TEC CNC)
- ◆ COLCHESTER TORNADO 300, COLCHESTER 80 (FANUC CONTROLS)
- ◆ HARRISON ALPHA BED LATHES (FANUC CONTROL)
- ◆ ARROW 1000 MACHINING CENTER, (HEIDENHAIN CONTROL)
- ◆ CONVENTIONAL LATHE, MILLING, SHAPER, BORING, DRILL PRESS BANDSAW, SURFACE GRINDER

WORK EXPERIENCE:

CNC MACHINIST

EHM MACHINE SHOP – MAY 2017 to PRESENT

- ◆ Set up operated edited programs CNC (FANUC CONTROL) machines to produce fabricated precision parts for Shipping, Automotive, and Food industry product
- ◆ Inspected finished products to ensure quality standards are met
- ◆ Read interpreted engineering drawings, and blueprint specifications using
- ◆ Performed machine set-up, cutting tools, different tool holders, and, Operated machines
- ◆ Fabricated jigs fixture for faster production

CNC MACHINIST

M.S. MACHINERY & METAL FABRICATION CORP. 2007- 2009 and in MARCH 1995 – MAY 2000

- ◆ Fabricated industrial equipment parts for Mining, Aggregates, Sugar, and Allied industries
- ◆ Created program thru (MAZATROL T32B, T32-3)
- ◆ Experienced reading and interpreting blueprints and technical drawings to produce precision parts
- ◆ Performed machine set-up, cutting tools, different tool holders, and operated machines
- ◆ Performed basic maintenance on machines, maintained work areas were cleaned and organized
- ◆ Fabricated jigs fixture for faster production

CNC MACHINIST

MICRON PARTS AND PRECISION ENGG.RIYADH, K.S.A. JUNE 2000 – OCTOBER 2006

- ◆ Operated set-up and edited programs for CNC Lathe, and milling (FANUC) to fabricate equipment parts for Oil Mining, Dairy Industries, and Aircraft parts
- ◆ Experienced in reading and interpreting blueprints and technical drawings to produce precision parts
- ◆ Performed machine set-up, cutting tools, different tool holders and Operated machines.
- ◆ Fabricated Jigs fixture for faster production
- ◆ Provided necessary counts, processed documentation correctly and maintained daily production logs or production worksheets.
- ◆ Performed basic maintenance on machines and maintained work areas were cleaned and organized

TRAINING:

TESDA TAGUIG CAMPUS

COURSE: CNC LATHE MACHINE OPERATION & PROGRAMMING

DATE ATTENDED: JULY 02 – 13, 2007 NO. OF HOURS: 80

COURSE: CNC MILLING MACHINE OPERATION & PROGRAMMING

DATE ATTENDED: JULY 14 – 27, 2007 NO. OF HOURS: 80

EDUCATION:

ELECTRONICS IN RADIO SERVICING (VOCATIONAL)

LORRAINE TECHNICAL SCHOOL JUNE 1989 – MARCH 1990

RIZAL AVE EXT.CALOOCAN CITY

SECONDARY SCHOOL

MAKATI HIGH SCHOOL JUNE 1981 - MARCH 1987

POBLACION MAKATI CITY

CHARACTER REFERENCE

:

MR. EDUARDO MENOR - GENERAL MANAGER

EHM MACHINE SHOP- VALENZUELA CITY

+6399585907539/+639984985620

MR. OBED VITUG - TECHNICAL SALES SUPERVISOR

MS MACHINERY & METAL FABRICATOR CORP.CALOOCAN CITY

+639065152293/+63933857930

MR. JEFF PERRY – GENERAL MANAGER

MR. RICARDO PONCIANO – SUPERVISOR / PROGRAMMER

MICRON PARTS & PRECISION ENGINEERING

PO BOX 8441 RIYADH, K.S.A +96612420047
