To Whom It May Concern:

I am writing to express my strong interest to work as a Nurse at New Brunswick, Canada.

My name is Ma. Cristina S. Calimag and I am passionate and dedicated medical professional offering exceptional critical thinking skills and the important ability to perform well under pressure. I am currently employed as Nurse II at Cagayan Valley Medical Center a government owned tertiary hospital. It is the largest medical facility in Cagayan Valley Region, Philippines. I am assigned as a Newborn Screening Follow up Nurse and OPD Nurse for 7 years.

I believe employment in Saskatchewan, Canada would be mutually beneficial, as I'm seeking a challenging work environment where I can use and develop my skills to the fullest extend. I'd love the opportunity to discuss my skill further, and look forward to hearing from you.

**Best Regards,**
