

Curriculum Vitae

ANTHONY PERCIVAL M. MOLINA

Address : Blk 3 Lot 138 Phase 1 Sannera Subdivision, Brgy San Antonio II,
San Pablo City, Laguna Philippines

Cellphone Number : +63925-8883-269 / +63967-2791-264

E-mail : anthony_mln96@yahoo.com

EDUCATION

Diploma in Bachelor of Science Electrical Engineering

Bulacan State University of Philippines, Batch 2012

QUALIFICATION SUMMARY

I have more than Eleven (11) years of experience in the field of instrumentation and Electrical inspection. My qualifications & competencies involve expertise in Installation, Start-up, Testing & Commissioning of Process Instrumentation and currently doing the Quality Assurance / Quality Control Inspection.

EMPLOYMENT HISTORY

2014-Present **QA/QC Inspector**, Instrumentation & Control Specialists,. Inc.

2012-2014 **Electrician / Instrument Technician**, Instrumentation & Control Specialists, Inc.,

MAJOR PROJECTS INVOLVEMENT

YEAR	PROJECT	ROLE
2023	Installation of Electrical and Instrumentation and Control System for Unit 2 Coal Feeder A, B, and E Sem Calaca Power Corporation Brgy. San Rafael Calaca Batangas	Project In Charge, Manage and leads the assigned scope of works, Implement Project Quality, Monitor Project, Update Daily Progress Report.
2023	Communication Restoration for Unit 2 Dry Bottom Ash Sem Calaca Power Corporation Brgy. San Rafael Calaca Batangas	Project In Charge, Manage and leads the assigned scope of works, Implement Project Quality, Monitor Project, Update Daily Progress Report.
2023	Replacement of Limestone Fluidizing Air Electric Heater Southwest Luzon Power Generation Corporation Brgy. San Rafael Calaca Batangas	Project In Charge, Manage and leads the assigned scope of works, Implement Project Quality, Monitor Project, Update Daily Progress Report.
2022 / 2023	Replacement of Slag Cooler 1&4 Unit 3 Southwest Luzon Power Generation Corporation Brgy. San Rafael Calaca Batangas	Lead QA/QC Engineer, Monitor Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings. Documentation of Inspection Reports.
2022	Replacement of Slag Cooler 1&4 Unit 3 Southwest Luzon Power Generation Corporation Brgy. San Rafael Calaca Batangas	Lead QA/QC Engineer, Monitor Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings. Documentation of Inspection Reports.
2022	Unit 4 Replacement of Burner Front Instruments Southwest Luzon Power Generation Corporation Brgy. San Rafael Calaca Batangas	Lead QA/QC Engineer, Monitor Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings. Documentation of Inspection Reports.
2022	Installation of Electrical and Instrumentation and Control System for Unit 1 Low Vacuum Heat Exchanger Sem Calaca Power Corporation Brgy. San Rafael Calaca Batangas	Lead QA/QC Engineer, Monitor Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings. Documentation of Inspection Reports.

2022	Unit 1 - Restoration of Boiler Metal Temperatures & Installation of Additional Sem-Calaca Power Corporation Brgy, San Rafael Calaca Batangas	Lead QA/QC Engineer, Monitor Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings. Documentation of Inspection Reports.
2020	Box Oven Duct Temperature Monitoring Sensors Project Samsung Electro-Mechanics Philippines Calamba Premiere Industrial Park Batino, Calamba, Laguna	Lead QA/QC Engineer, Monitor Field Inspection for Instrumentation based on standard and approved construction drawings.
2018	Certificate Holder for Construction Occupational Safety and Health, 40 hours Training Course	Certificate Holder for COSH
2017 to 2020	Sem-Calaca 2X300MW – Unit 1 Cable Replacement Project Brgy. San Rafael Calaca, Batangas	QA/QC Inspector, Conduct Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings. Documentation of Inspection Reports.
2017	Sem-Calaca 2X300MW – RO Plant Monitoring System (F.O Cable Installation) Brgy. San Rafael Calaca, Batangas	QA/QC Inspector, Conduct Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings Documentation of Inspection Reports.
2017	Team Energy Pagbilao Power Station Level Monitoring System for Acid & Alkaline Chemical Tanks Isla Grande, Barangay Polo Pagbilao Quezon	QA/QC Inspector, Conduct Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings Documentation of Inspection Reports.
2017	Petron Bataan Refinery - MG8, 400 Nitrogen Generator Plant (Instrumentation Works) Limay, Bataan	QA/QC Inspector, Conduct Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings Documentation of Inspection Reports.
2016	8.8MW Biomass Plant – Supply of Materials, Engineering Services for the Installation and Commissioning of Instrumentation Equipment. Malaruhan Lian, Batangas	QA/QC Inspector, Conduct Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings Documentation of Inspection Reports.
2015	Sem-Calaca 2X300MW - Cable Tracing and Rehab of Damaged Cable and Trays in Boiler Feed Pump 2 Area San Rafael Calaca, Batangas	QA/QC Inspector, Conduct Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings. Documentation of Inspection Reports.
2015	2 x 150MW SLPGC Power Plant Project BOP I&C Coal Handling (Field Installation and Fabrication of Supports/Brackets) San Rafael Calaca Batangas	QA/QC Inspector, Conduct Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings. Documentation of Inspection Reports.
2014	Southwest Luzon Power Generation Corp. 2x150mw Slpgc Cfb Power Plant Project-Phase1 Balance of Plant System (BOP) San Rafael Calaca Batangas	QA/QC Inspector, Conduct Field Inspection for Instrumentation, Electrical based on standard and approved construction drawings.
2014	Supply of Materials and Engineering Services for PLC Upgrade Analog Devices Inc. Gateway Business Park Special Economic Zone Javelera, Gen. Trias, Cavite, Philippines	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning
2014	Santiago Water District - Replacement of PLC and SCADA for SANWAD Santiago Water District-Santiago Isabela, Philippines	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning.
2014	Texas Instrument Baguio - Supply of Materials & Engineering Services for Microfiltration System No.1 Loakan Road Baguio City Philippines	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning

2014	Texas Instrument Baguio – Supply of Materials & Engineering Services for Microfiltration System No.2 Loakan Road Baguio City Philippines	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning
2014	Montalban - GDU 3 Control Revamp Project Montalban Rizal	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning
2014	Supply of Materials and Engineering Services for 200 Bars Filling Facility Linde Philippines: Sta Rosa Laguna	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning
2013	Linde Expansion Project H2 and N2 Plant @ JGSummit Linde Philippines- JGSummit,Barangay Simlong Batangas City	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning
2013	Supply of Labor and Materials for the installation of temperature switch with audio-visual alarm for N2 pipeline. PPI Limay, Bataan	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning
2013	Supply of Ultrasonic Level Sensor and Engineering Services Santiago Water District-Santiago Isabela Philippines	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning
2013	Installation and Integration of 4 MIDAS at Jusung 1 to 4 Sunpower Fab.2. Sto. Tomas Batangas	Instrument Technician Installation of Instrument, Termination, Testing and Commissioning
2013	Supply of Engineering Services for Manila Glass Furnace Control System San Miguel Corporation Glass Factory Mulle Dela Instruction Street, Binondo, City of Manila	Instrument Technician Panel Assembler, Termination, Start- up and Commissioning
2013	Wireless Communication Team Energy Pagbilao Power Station-Isla Grande, Barangay Polo Pagbilao Power Station	Instrument Technician, Cabling of Communication Cables, Termination, Loop Checking, Testing & Commissioning.
2013	Remote I/O Upgrade (SU1A,SU1B,SR1A,SR1B,CHA,CHB) Team Energy Pagbilao Power Station Isla Grande, Barangay Polo Pagbilao Power Station	Instrument Technician, Cabling of Communication Cables, Termination, Loop Checking, Testing & Commissioning.
2012	Special Gas Cabinet and VMBs Integration to FMS (GEN-E Project); Sunpower Philippines Manufacturing Limited, FPIP Sto. Tomas Batangas	Instrument Technician, Installation of all field Instruments, Calibration, Configuration, Cabling of Communication Cables, Termination, Loop Checking, Testing and Commissioning.
2012	Installation of Lenox Camera and Borescope Camera Sem-Calaca Power Corporation, Calaca Batangas	Instrument Technician, Installation of all field Instruments, Calibration, Configuration, Cabling of Communication Cables, Termination, Loop Checking, testing and Commissioning.
2012	Installation of Local Panels for Dry Ash and Bottom Ash Process; Sem-Calaca Power Corporation, Brgy. San Rafael Calaca, Batangas.	Instrument Technician ,Installation of all field Instruments, Calibration, Configuration, Cabling of Communication Cables, Termination, Loop Checking, Testing and Commissioning.
2012	Therma Mobile 6 Automation Control (Instrumentation Works) Aboitiz Power Navotas City.	Instrument Technician, Installation of all field Instruments, Calibration, Configuration, Cabling of Communication Cables, Termination, Loop Checking, Testing and Commissioning.
