

CHERRY ANN CHELO CAFIRMA DEUS

Ramon, Isabela, Philippines 3319

deuscafirma26@gmail.com

+63 997 210 2424

PRC Chemical technician license: 0008958

I bring forth a strong dedication and an unwavering drive for problem-solving, coupled with a passionate desire to make a meaningful impact beyond the confines of my field. I am seeking a role that allows me to apply my multidisciplinary skills and passion for critical thinking and problem-solving to contribute positively to innovative projects while embracing opportunities for continuous learning and professional growth across various domains.

Skills and Strengths

- Oriented in Microsoft Office Application
- Competent in written and verbal communication
- Willing and able to learn new skills
- Creativity
- Collaborative teamwork
- Adaptability and flexibility
- Time Management and Decision-making
- Athlete

Qualifications

- Registered Chemical Technician
- BOSH Safety Officer 1
- Active associate member of Integrated Chemists of the Philippines
- Former Logistics and Finance Officer in the Philippine Institute of Chemical Engineers-Junior Saint Louis University

Training Experience

25 June 2023

Catia V5 Beginner to Advanced - Automotive and Industrial

Certification of 24.5 total hours

Alexander Consulting, UDEMY

21 April 2023

Basic Occupational Safety and Hazard for Safety Officer 1

Certification of 10 total hours

BESO Safety Trainings & Consultancy Services

9 August 2022

National Food Authority, Regional Office 2

Certification of 240 total hours

Chemical Engineering intern/trainee

Seminars and Webinars Attended

26 March 2023

Every Drop Counts: Water and Wastewater Treatment

Engr. Joseph Willy, Baguio Sewage Systems

Engr. Erika Joyce Guanzon, Design parameters

Maria Vida Ragma, RMT, Water Quality Mgmt

Saint Louis University

- 3 February 2023** **National Chemical Engineering Symposium**
 Nikole Gozum, NACHES 2022 Operations Head
 University of the Philippines
 Chemical Engineering Society, Inc. (UP KEM)
- 30 April 2021** **Decellularized Porcine Kidney for Whole-Organ
 Bioengineering Applications**
 Interdisciplinary Research Symposium
 De La Salle University, Research Coordination Office
- 24 April 2021** **Safety-Chemical Handling and Storage**
 Engr. Rochelle Villar, Philippine Parkerizing Inc.
 Saint Louis University
- 12 March 2021** **Introduction to the Petrochemical Industry and the
 Roles of Chemical Engineers**
 Engr. Shannon Clive Amio, Petron Bataan Refinery
 Saint Louis University

Educational Background

- Tertiary** **Saint Louis University**
 Bachelor of Science in Chemical Engineering
 Graduated 2023
- Secondary** **Saint Paul University Philippines**
 Science, Technology, Engineering, Management
 Senior High School
 Graduated 2019
- JET Montessori School of Ramon, Inc.**
 Junior High School
 Ramon, Isabela
 Graduated 2017
- Primary** **Blessed Canaan Christian Academy**
 Ramon, Isabela
 Graduated 2013
