LANGUAGES

- English
- Tagalog
- Iloco

APPLICATIONS

- Express PCB
- MATLAB
- Arduino
- NI Multisim
- Arduino IDE
- Oxygen Developer
- Microsoft Office

EDUCATION

Bachelor of Science in Electronics Engineering
Mariano Marcos State University
Batac, Ilocos Norte
2015 - 2021

WORK EXPERIENCE

Accenture, Inc. – Packaged App Development Associate
November 2022 – March 2024

- Workday Core Integrations Certified.
- Design, build and support testing of Workday Integration code base including Studio, EIB and support third party coding.
- Apprenticeship Program in System Implementation (SI)
- Application Management Service (AMS) support – Offshore Integration Consultant
- Workday Core Integrations Bootcamp Coach

INTERNSHIP

Mariano Marcos State University
September 2021 – December 2021

- Created an android quiz app for the undergraduate and graduate students specifically Electronics Engineering.

INDUSTRY EXPERTISE

- Workday Core Integrations
- Workday EIB
- Workday Integration Testing
- XSLT

TECHNICAL SKILLS

- Circuit Designing, Construction and Troubleshooting
- Antenna Assembly and Troubleshooting
- Knowledge in Electronics board, Desoldering, Soldering and repair
- Microsoft Office

SEMINARS / WEBINARS / TRAININGS

- **Build Python Web Apps with Flask**
  Department of Information and Communications Technology
  February 2, 2023

- **Workday Core Integration Certification**
  Accenture, Inc.
  February 2023

- **Workday Core Integration Bootcamp**
  Accenture, Inc
  December 2022

- **Visualize Data with Python**
  Department of Information and Communications Technology
  October 20, 2022

- **Analyze Data with Python**
  Department of Information and Communications Technology
  October 18, 2022

- **Learn Basic Statistics with Python**
  Department of Information and Communications Technology
  October 16, 2022

- **Programming for Intermediate Users Using Python**
  Department of Information and Communications Technology
  October 13, 2022

- **Programming for Beginners Using Python**
  Department of Information and Communications Technology
  October 12, 2022

- **RF Engineering's Impact in the 5G Wireless Technology Era**
  Department of Information and Communications Technology
  June 25, 2022

- **Fiber Optics Communication System**
  Terrahertz
  May 21, 2022

- **On-the-Job Training**
  College of Engineering
  December 21,2021
