Greetings Madam/Sir

I am Earl Teodre Y. Torcino, a 26 years old Licensed Civil Engineer and COSH SO2 Officer, graduated of Bachelor of Science in Civil Engineering from Liceo de Cagayan University. I had some practical experience during my college as part of our curriculum in our school. I have acquainted myself with a range of skills that would allow me to bend with your company.

I have a thorough knowledge and experience of processes of construction in ground engineering project, such as Construction Residence, telco tower foundation and first project Maintenance in DPWH as Dike at Punta Santiago. As for Maintenance activites, I Assisted the Excavation Permits,Fcds and Maitenance works. With my excellent interpersonal and communication skills, my organizational and multitasking abilities are advanced.

Together with my cover letter, I attach here with my personal data sheet for your full consideration I appreciate your time reviewing my application, and it will be my pleasure to attend an interview at your convenient time.

Sincerely,

Engr. Earl Teodre Y. Torcino  
Applicant
