

# JENNY ROSE L. TORRELLA, RMT

60 ALLEY 14 P. ROSALES ST. PATEROS, METRO MANILA PHILIPPINES

+639171791423

[jennyrosetorrella@gmail.com](mailto:jennyrosetorrella@gmail.com)

## Objective:

To obtain a position that will enable me to use my skills and abilities that I learned from working in the laboratory for the past 4 and a half years.

## Working Experience:

### Junior Medical Technologist

St. Luke's Medical Center- Global City (Reception/Phlebotomy and Hematology Section) | May 2021 to Present

- Extract blood samples from patients for their routine laboratory testing.
- Collects nasopharyngeal and oropharyngeal samples from patients for their RT-PCR testing. Analyze and process blood samples for their complete blood count test.
- Check in, process, and releasing of CBC results.
- Do manual cell counting if there is an abnormal finding in their blood sample.
- Perform different coagulation tests in Sysmex based machine like PT, PTT, D-Dimer, Lupus anticoagulant, factors I to XII, etc.
- Relay abnormal results to doctors to help them with their assessment.
- Process urine samples in an automated machine and do manual counting if there is need to.
- Process body fluids like synovial fluid, CSF, peritoneal fluid , pericardial fluid, and do manual cell counting to determine if the fluid is normal or not normal.

### Medical Technologist/Swabber

Healthfirst | March 2021 to May 2021

- Collects nasopharyngeal samples from patients for their antigen testing.

### Medical Technologist I

HMICare Clinic and Diagnostic Center | April 2019 to February 2021

- Collects blood samples from patients for different laboratory tests including mobile/on-site patients.
- Execute different laboratory procedures like CBC, Blood Chemistry, Urinalysis, Fecalalysis and other routine tests.
- Encode, record and release different laboratory results for patients.
- Maintains competence in Laboratory Information System that is crucial to the quality operations of the laboratory and patient care.
- Operates and maintains machines and equipment used in the laboratory and is able to properly set up, calibrate, maintain, operate and shut down machines like Sysmex XS-1000i for Hematology analyzer, Biolis 24i for Chemistry, Microplate washer and reader for serology.

### Medical Technologist I

Tagig Doctors Hospital | December 2017 to April 2019

- Collects blood samples from patients for different laboratory test to contribute to the correct diagnosis of the patient
- Performs manual CBC count and analyzes blood for Blood Chemistry • Microscopically examines urine and fecal analysis

- Encode, record and release different laboratory results for patients.
- Operates and maintains machines and equipment used in the laboratory and is able to properly set up, calibrate, maintain, operate and shut down machines.

### Medical Technologist Intern

Centro Escolar University Clinic | November 2016 to April 2017

Philippine Heart Center | April 01, 2017 to April 12, 2017 (Blood Bank and Histopathology Section)

Educational Background:

Tertiary:

Centro Escolar University  
Bachelor of Science in Medical Technology  
June 2014 to April 2017

Far Eastern University  
Bachelor of Science in Medical Technology  
June 2012 to April 2014

Secondary:

Fort Bonifacio High School  
2008-2012

Primary:

Capt. H. Francisco Elementary School  
2002-2008

Trainings and Seminars:

Quality Improvement in Hematology  
July 21, 2018 | Calamba, Laguna

Adding Value to Patient Care: An International Seminar Workshop  
in Global Laboratory Quality Initiatives  
August 30 & 31, 2018 | Crowne Plaza, Ortigas

Alignments of TB Microscopy to WHO Standards  
October 27, 2018 | Muntinlupa

55<sup>th</sup> PAMET Annual Convention  
Dec. 04, 2019 | PICC

56<sup>th</sup> PAMET Virtual Convention  
Vision 2020 and Beyond: Reaching Greater Heights for Medical Technologists of tomorrow  
November 25 to 27, 2020 | Online

Understanding Histopathology: A basic overview and Cytology: A Cytoscreener's perspective  
July 10, 2021 | Online

Sysmex CS-2500 User Training Manual  
July 27, 2021 | St. Luke's Medical Center- Global City

Sysmex XN Series User Manual Training  
July 28, 2021 | St. Luke's Medical Center- Global City

Novaprime User Manual Training  
July 29, 2021 | St. Luke's Medical Center- Global City

## ESR ISED User Manual Training

July 30, 2021 | St. Luke's Medical Center- Global City

## Beckman Coulter DXH 900 User Manual Training

Aug. 02, 2021 | St. Luke's Medical Center- Global City

## Roche POCT, PTT, PT User Manual Training

Aug. 03, 2021 | St. Luke's Medical Center- Global City

## Roche Multiplate Cobas User Manual Training

Aug. 03, 2021 | St. Luke's Medical Center- Global City

## Basic Operations Training Course: Mini Vidas

Aug. 04, 2021 | St. Luke's Medical Center- Global City

## Basic Operations Training Course: DCA Vantage

Aug. 04, 2021 | St. Luke's Medical Center- Global City

## Stago User Manual Training

Aug. 05, 2021 | St. Luke's Medical Center- Global City

## Clinitek User Manual Training

Aug. 05, 2021 | St. Luke's Medical Center- Global City

## Sysmex UN Series Machine User Manual Training

Aug. 09, 2021 | St. Luke's Medical Center- Global City

## Sysmex UX 2000 Machine User Manual Training

Aug. 09, 2021 | St. Luke's Medical Center- Global City

## 19th PCQACL Annual Convention

Sept. 8-10, 2022 | Webinar

## 11th Sysmex Scientific Seminar Coagulation Session

Nov. 15, 2022 | Webinar

## 58th PAMET Annual Convention

Dec. 2-3, 2022 | PICC

## Skills:

- Hardworking
- Strong analytical and documentation skills
- Flexible
- Can multitask
- Works independently/Works with minimal supervision
- Comfortable using laboratory equipment/machines.
- Has the initiative to do the task/work
- Leadership experience
- Problem-solving abilities
- Can work well under pressure

Character reference:

Jorhaya Pacal, RMT

Medical Technologist

Tagig Doctors Hospital | +639092323841

Maria Josefina Ronquillo, RMT

Chief Medical Technologist

HMICare Clinic and Diagnostic Center | +639175724290

Jelaine D. Centeno, RMT

Senior Medical Technologist

St. Luke's Medical Center- Global City

+639778108684
